I. MISSION STATEMENT FOR WHEELCHAIR TENNIS

The ITF is the international governing body for tennis, including wheelchair tennis. In partnership with its National Associations it aims to provide, promote and develop opportunities for men, women and children with physical disabilities to participate in recreational and competitive wheelchair tennis at all levels from novice to the professional player.

As the governing body of tennis, the ITF provides a leading role in the administration of wheelchair tennis. The ITF aims to ensure that a fair and equal opportunity is provided for all those entitled to play under its eligibility rules and that the Rules of Wheelchair Tennis are implemented according to the standards expected of an international body.

The ITF aims to work together with National Tennis Federations to provide opportunities for all involved in wheelchair tennis and to encourage integration and inclusion with non-disabled tennis whenever possible.

The ITF will, through a range of events and initiatives, ensure that wheelchair tennis is seen as a “world class” sport and as such recognises its World Champions alongside their peers.

The ITF aims to work together with the Paralympic movement to ensure that wheelchair tennis is a part of Paralympic Games every four years.

The ITF aims to provide an international Tour, which will result in a year-end Masters event in singles and doubles as a showcase event for the sport.

The ITF aims to provide an annual team competition, the BNP Paribas World Team Cup, for Nations to compete at the highest level and to determine the team champions within wheelchair tennis.

II. PURPOSE AND APPLICABILITY

ITF Limited trading as the International Tennis Federation promulgates these tournament regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international wheelchair tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these regulations shall mean ITF Limited. These regulations shall be applicable to all wheelchair tournaments as defined in V. Categories of Events.

Each player entrant in an ITF Tournament agrees as a condition of entry to abide by and be subject to these regulations and code of conduct as amended from time to time by the ITF Board of Directors.

The ITF reserves the right to refuse approval of or cancel any previously sanctioned tournament or series of tournaments for reasons of health, safety, security or any other potential threat to any persons attending the tournament(s) or to the successful running of the tournament(s), without any liability on behalf of the Applicant, National Association, Tournament Organiser or the ITF (for the avoidance of doubt, the ITF, the Applicant, National Association and/or the Tournament/Host Organiser will not be liable to any Players or any other persons or entities for any costs that they might have incurred in relation to such cancelled tournaments, including, without limitation, any transport and/or accommodation costs). This decision will be made on behalf of the ITF by the ITF Wheelchair Tennis Committee, and may be appealed to the Independent Tribunal.

These players can withdraw from the other event without penalty. If the player does gain entry into the Grand Slam event he should withdraw from the UNIQLLO Wheelchair Tennis Tour event more than two weeks before the start of the tournament.

commences. Feed-Up Cards must be allocated at the entry deadline but Wild Cards can be allocated at a later stage. **Players will not be accepted after the entry deadline with the exception of Wild Cards.**

Players may include their intention to play doubles on the entry form. However, no doubles pair should be included in the draw unless both players have signed in accordance to Section 37 "Sign-in".

The Referee, Tournament Director and/or ITF Supervisor only, have the authority to decide when the Extreme Weather Conditions rule is in effect during a tournament, and shall make all decisions to modify and/or suspend play under this rule.

- A. If the WBGT reaches 28.0°C, but does not exceed 30.0°C (or, if a Heat Stress Monitor is not available, the area shaded light grey in the table) at any time during a match prior to the end of the second set, then, subject to section 36(o)(iii), a fifteen (15) minute break will be allowed, beginning from the time that the players reach the designated rest area, between the second and third sets.
- B. If WBGT reaches 30.1°C (or, if a Heat Stress Monitor is not available, the area shaded medium grey in the table), but does not exceed 32.1°C, then play will be suspended at the end of the set in progress and will not resume until WBGT falls below 30.1°C.
- C. If WBGT reaches 32.2°C (or, if a Heat Stress Monitor is not available, the area shaded dark grey in the table), then play will be suspended with immediate effect and will not resume until WBGT falls below 30.1°C.

When WBGT reaches 30.1°C (or, if a Heat Stress Monitor is not available, the area shaded medium grey in the table), no further matches will be called until WBGT falls below 30.1°C. The starting time of matches scheduled for play may be delayed

where, in the opinions of the Referee, Tournament Director and/or ITF Supervisor, Extreme Weather Conditions are likely to come into effect. In very hot climates it is advised that matches are scheduled in the morning and late afternoon/evening. When possible, the decision to delay the start of matches due to Extreme Weather Conditions should be made prior to the scheduled start of play.

i) Measurement and Monitoring of Weather Conditions

The Referee, Tournament Director and/or ITF Supervisor will monitor weather conditions by taking measurements a minimum of three (3) times during the day. All readings will be posted in the Referee/Supervisor's office. At a minimum, readings will be taken at the following times:

- (1) Thirty (30) minutes before match play begins for the day;
- (2) The middle of the schedule of play for the day;
- (3) Prior to beginning of the last match of the day, or prior to the start of the first night session match (whichever is the earlier).

Regular and frequent measurements should be made following modification and/or suspension of play under this rule.

ii) Implementation of the Rule

When in effect, Extreme Weather Conditions applies to all matches, including matches in progress, and in addition to the two (2) bathroom and/or change of attire breaks allowed during the match. A player may not take a medical time-out immediately following a fifteen (15) minute break applied under this rule.

iii) Conditions of the 15-Minute Break

If all players in a match agree not to take a fifteen (15) minute break (where such break would be permitted), then play will continue. However, if so requested by one or more players, the fifteen (15) minute break will be taken. During the fifteen (15) minute break, no coaching or medical treatment will be allowed, unless approved by the Referee/ITF Supervisor prior to the players leaving the court. In any case, a player will be allowed to receive an adjustment of medical support and/or medical equipment from the Physiotherapist/Athletic Trainer. Following the fifteen (15) minute break, no re-warm-up will be allowed and play will begin immediately.

iv) Penalties

Any delay in returning to the court after completion of the fifteen (15) minute break between the second and third sets shall subject a player to Time Violations.

v) **General provisions**

Tournaments must provide shade and ice buckets on court for all players. A player may be assisted by his/her coach to spray water over his/her face.

35. FORMAT OF PLAY

- a) All Men's, Women's and Quad Main, Second Draw as well as juniors matches will be played according to the ITF Rules of Tennis.
- b) All singles matches shall be the best of three (3) sets.
- c) The format of doubles matches shall be as follows:
1. Paralympics, ITF Super Series and Masters Series – best of 3 tie break sets.
 2. Grand Slams – to be agreed with each Grand Slam
 3. BNP Paribas World Team Cup – best of three sets, the first two to be played as tie-break sets but if the score is one set all, one match tie-break (10 points) shall be played to decide the match.
 4. ITF1,2,3 and Futures Series – best of three sets, the first two to be played as tie-break sets but if the score is one set all, one match tie-break (10 points) shall be played to decide the match.
- d) Alternative Scoring may be adopted as an alternative to the traditional scoring system, provided the decision is announced in advance of the event and is approved by the ITF in advance. Once tournaments have decided to use this system in a draw, it must be used for all matches in that draw.

The following approved Alternative Scoring methods may be used as an alternative to the traditional scoring system:

- "Short" Sets
- Deciding Match Tie-Break Game (7 points)
- Deciding Match Tie Break Game (10 points)

For an explanation on the use of the Alternative Scoring Systems please see Appendix V of the 2017 Rules of Tennis.

- e) All players who wish to play consolation must sign in for consolation. The format for consolation matches will be the same as for the draws as described above, including seeding and bye lines as described in Section 40 "Seeds" and Section 43 "Making the draw".

- f) If there are only five (5) singles players or less in the Main/Consolation Draws tournaments are requested to play a Round Robin format. It is at the discretion of the tournament whether a final is played between the top two placed players and this must be announced in advance.

If there are less than five (5) doubles teams' tournaments are recommended to play the Knock-Out format.

- g) If court availability, due to unforeseen delays, becomes a problem, the Referee has the authority to modify the playing format to ensure that the tournament finishes on time. The best-of-three sets with No-Ad scoring or deciding tie-break or deciding match tie-break can be used. It is strongly recommended to play the normal format in the Main Draw. The Main Draw should have priority in case of unforeseen delays.
Grand Slam Tournaments may be extended as necessary for completion.

h) Round Robin

i. Ties shall be broken as follows:

- (a) If two (2) players/teams are tied with the same won-lost record after the completion of the Round Robin, the tie is broken as follows:

The winner of the head-to-head of the two (2) players/teams tied.

- (b) If three (3) players/teams are tied with the same won-lost record after completion of the Round Robin, the tie is broken as follows:

The player/team with the higher percentage of total sets won.

- (c) Any tie thereafter will be broken as follows:

The player/team with the higher percentage of total games won.

- (d) Any tie with two (2) players/teams thereafter will be decided by the results of the match between the two (2) players/teams involved.

- (e) Any tie with three (3) players/teams thereafter will be decided by the Tournament Committee or by draw.

If ties exist after the above procedures, the Tournament Committee shall make the final determination

- i) The ITF recommends that players should not play more than two matches a day. If three must be played then it is recommended one singles and two doubles matches are played.

- j) The ITF recommends that a player should be scheduled to play a singles match before a doubles match irrespective of whether it is the Main, Second or Consolation Draw.
- k) Sponsor and TV coverage should not compromise the schedule of play e.g. doubles played before singles.

36. DRAW SIZES

The ITF has the authority to change the draw sizes where deemed necessary.

- a) **Main Draw: men (women and quad draws at selected events)**
The following descriptions apply to the men's draws at all events and women's and quad draws at Grand Slams, Super Series and ITF 1 events.

- i. **Singles**
The ranking is one complete list and the highest ranked players entering the tournament fill the set draw size, which is determined by the ITF. A set maximum number of Wild Cards and Feed Up Cards are available. Entry into the Main Draw and the seeds are determined by the ITF Wheelchair Tennis Singles Ranking of the previous week.

- ii. **Doubles**
The highest ranked teams, drawn on the first day of the tournament fill the set draw size, which is determined by the ITF. A set maximum number of Wild Cards are available. Entry into the Main Draw and the seeds are determined by the combined doubles ranking of the previous week.

Teams are selected according to the following method:

- a. Teams consisting of two players with an ITF Ranking, in order of the combined ranking of the two players. If two doubles teams have the same combined ranking, the pair with the highest ranked individual player should be accepted first.
- b. Teams consisting of one player with an ITF Ranking and one unranked player, in order of ranking for the ranked player. Ties shall be resolved by a draw.
- c. Teams consisting of two players without ITF Ranking. The order of teams shall be drawn.

Acceptance into the singles Main Draw does not give players automatic entry into the doubles Main Draw.

b) Second Draw: men (women and quad draws at selected events)

The following descriptions apply to men's draws at all events and women's and quad draws at Super Series and ITF 1 events.

i. Singles

Players who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the ITF Wheelchair Tennis Singles Ranking of the previous week.

ii. Doubles

Teams who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the combined doubles ranking of the previous week. At ITF 3 and Futures events the Main Draw and Second Draw doubles can be combined in order to ensure draws have enough doubles teams to constitute a draw. Ranking points, however, will only be awarded from the set draw size advertised and to draws with a minimum of four (4) doubles teams. Acceptance into the singles Second Draw does not give players automatic entry into the doubles Second Draw.

c) Main Draw: Women and Quads

Women and quad players (with the exception of the draws at the events mentioned in points a and b above) will play in one extended Main Draw.

d) Draw sizes by categories

The Draw Sizes differ per Categories as stated in the tables that follow.

e) Women and Quad Draws

Where Women and Quad Draws are not indicated on the ITF website, it is assumed that those events do not offer these draws. If, nevertheless, enough women and quad players enter these events, ranking points will be awarded from one classification lower than the men (except for Futures events where classification remains the same for all three categories).

f) Consolation

Tournaments are requested to organise a consolation draw for all the first round losers of all the Main singles draws. Non-seeded players losing in the second round who have received a 'bye' in the first round can play Consolation Draw.

It is the responsibility of the tournament and players to verify if there are enough players in a draw to receive ranking points. Players who wish to play consolation must sign in with the tournament. Players are not obligated to play consolation. Under no circumstances should a tournament include a player in the consolation draw that has not signed in. Points will be awarded to the winner and runner-up of the men's, women's and quad consolation draws at Futures Series to ITF 1 Series events. At Super Series events the semi-finalists of the men's, women's and quad consolation draws will also receive ranking points. There should be a minimum of four players for points to be awarded. The Wheelchair Tennis Code of Conduct will be enforced in all consolation draw matches.

g) Qualifying pre-round

When there are less than five singles players and five doubles teams in the Second Draw, a qualifying pre-round shall be played to qualify for the Main Draw. The lowest ranked players in the Main Draw and the players who should be in the Second Draw will be drawn to play in the pre-round. Losers in the pre-round will receive 1 point and will have the option of playing Main Draw Consolation.

For details on how to make the qualifying pre-round, please check Section 44 "Making the Draw".

h) Late withdrawal

The referee is required to inform the ITF of any late withdrawal. If a withdrawal within two weeks of the tournament affects the minimum number of players needed, rankings points will be awarded for the draw provided that the Referee has informed the ITF of the withdrawal/s.

37. SEEDS

All tournaments will have a seeded draw with seeds determined as follows:

a) Seedings List

Seedings will not be official until the draw is made and shall be determined by the Referee. The ranking dated the Monday of the week before the tournament week shall be used to determine the seedings in the Main, Second and Consolation Draws. All other draws can be made as decided by the Referee.

b) Number of Seeds

The number of players or doubles teams to be seeded must be as follows:

Number of players or doubles teams	Number of seeds
4-8	2
9-16	4
17-32	8
33-64	16

The number of players to be seeded should be based on the actual draw size and not to the set draw size.

c) Singles

Individual players who have equal ranking should be drawn by lot.

d) Doubles

The seeding for the doubles will be made by adding the individual doubles ranking from both players in a pair. The pair with the lowest combined ranking will be seeded before the other pair. If two doubles teams have the same combined ranking, the pair with the highest ranked individual player, according to the doubles ranking should be seeded first.

38. WILD CARDS (SINGLES AND DOUBLES)

Wild Cards are given to players to be included in the draw at the sole discretion of the Tournament Director or Tournament Committee. The number of Wild Cards will be allocated according to the size of the set draw as follows; even when the draw size is extended, Wild Cards will be allocated according to the original set draw sizes advertised in the draw tables.

For top players who are under the rule of restriction for top players:
If ranking of any of the players mentioned above changes to outside of the restricted ranking at any time after the entry deadline, a player can be awarded a Wild Card.

Set Draw Size	No. of Wild Cards
32	4
24	4
16	2
12	1
8	1
4	1

N.B. At events with no set draw size, the number of Wild Cards will be 2.

39. FEED-UP CARDS (SINGLES ONLY)

Feed-Up Cards will be awarded to the winner of the Second Draw. Players can use their Feed-Up Cards to enter the Main Draw at upcoming events that are lower, the same level or one level higher classified than at which they won the Second Draw.

Winner of Second Draw Futures → Feed-Up Card for Futures, ITF 3

Winner of Second Draw ITF 3 → Feed-Up Card for Futures, ITF 3, ITF 2

Winner of Second Draw ITF 2 → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1

Winner of Second Draw ITF 1 → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1, SS

Winner of Second Draw SS → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1, SS

In case a number of players apply to use their Feed-Up Card at the same tournament, the tournament must accept the highest ranked player by the entry deadline of the tournament. Players must use their Feed-Up Card within six (6) months after winning the tournament.

Feed-Up Cards must be allocated by the entry deadline but Wild Cards can be allocated at a later stage. The ITF must be informed of Feed-Up Cards at the entry deadline.

If there are no requests for Feed-Up Cards, these places will be used for the next player on the ranking list. Only one feed-up card will be allocated.

Feed-up cards cannot be used to enter Grand Slam and Singles Masters events or the Paralympic Games.

40. MAKING THE DRAW

The Singles and Doubles Main and Second Draw and Consolation Draw should be made by a qualified Referee, using for seeding purposes the ITF Wheelchair Tennis Ranking dated the Monday the week before the tournament commences. The Main and Second draws should be made **one (1) day** before the start of play and shall be made in public, with at least one player who is competing in the tournament present. Once all entries are known, the Consolation Draw must be made following the same procedure used for the Main/Second Draws.

If the Main Draw cannot be completed by ranked players and there are 2 or more non-ranked players, the players who play the pre-qualifying round will be decided by lot.

The Main/Second/Consolation draws shall be made as follows:-

- i. Place seed 1 on line 1 and seed 2 on line 8 (8 draw), 16 (16 draw), 32 (32 draw).
- ii. To determine the placement of the remaining seeds, draw in pairs of two (seeds 3 and 4) and groups of four (seeds 5-8, 9-12 and 13-16) from top to bottom as follows:-

Seeds	16 draw	32 draw	64 draw
3 and 4	5 12	9 24	17 48
5, 6, 7 and 8		8 16 17 25	16 32 33 49
9,10,11 and 12			9 25 40 56
13, 14, 15 and 16			8 24 41 57

- iii. **Byes**
If there are byes they shall be given to the seeds in descending order and thereafter byes are drawn for placement in the draw so as to be distributed equally in the sections of the draw.

- iv. **Qualifying pre-round**
When there are less than five singles players and doubles teams in the Second Draw, a qualifying pre-round shall be played to qualify for the Main Draw. The lowest ranked players in the Main Draw will play against the players who should be in the Second Draw.

The Main Draw should be made as described above, but in place of the names of the lowest ranked players or teams (who are required to play in the pre-round), the lines where they are drawn should be designated as “Qualifier.”

For the qualifying pre-round, the players are drawn by lot.

At the conclusion of the qualifying pre-round, the successful qualifiers shall be drawn by lot again for their places in the Main Draw and be placed on the “Qualifier” lines from top down.

Losers in the qualifying pre-round will receive 1 point and will have the option of playing Main Draw Consolation.

41. CHANGES AFTER THE DRAW

- a) **Withdrawal of Seeds**
If a seeded player withdraws after the draw has been made but prior to the release of the Order of Play for the first day of the Main Draw, the vacancy shall be filled by the next eligible player to be seeded. The highest ranked Second Draw player may fill the vacated position in the draw.
- b) **Mistakes in the Draw**
Every effort will be made to ensure that the draws are made correctly according to the Rules laid out in these Rules and Regulations. However, should a mistake be made, the Referee, shall make a decision which shall be final and binding on all concerned, based on the principles below.
Note: No changes can be made to the draw once that draw has commenced play.
- c) **Incorrect Seeding**
If a player has been seeded incorrectly, and the correction of the seeding only affects one (1) other player’s position in the draw, the two (2) players should be swapped over. In this case the draw need not be remade.

If a player has been seeded incorrectly and the correction of the seeding affects two (2) or more players' position in the draw, the draw must be remade.

d) Inclusion/exclusion of Players

If a mistake is made in the draw due to non-inclusion of players who do not have written confirmation of their acceptance into the tournament, the draw need not be rectified. If a player is excluded in the draw due to an error of the Tournament Committee or Referee, the player should be placed on the last available bye line according to Section 38 "Making the Draw" if there are any bye lines available. If the draw is full to a complete draw size of 8, 16, 32 or 64, the draw must be remade. If a player has been included by mistake of the Tournament Committee or Referee, he should be taken out of the draw.

e) Withdrawals

The players in each Tournament shall be compensated on the basis of their performance by on-site prize money which shall be distributed by each Tournament during or at the conclusion of the tournament. Except for on-site prize money no player shall be offered or paid any other money or anything of value except for amateur or professional expenses. Prize money shall be paid only for matches played. In Men's, Women's and Quad's Doubles, teams withdrawing will receive ranking points and prize money for the previous round, unless the withdrawing player had withdrawn/retired from his/her singles match on the same or the previous day. For the purpose of this Rule a match is played when it is won as a result of any injury or a misconduct default of an opponent.

42. PRIZE MONEY

The following minimum prize money levels (US\$) are required from 2017 through to 2018:

YEAR	GS	SS	ITF1	ITF2	ITF3	FUTURES
2017*	TBC	42000	30000	20000	14000	3000
2018*	TBC	45000	32000	22000	14000	3000

* Subject to review

Prize Money Requirements:

- a) The published total amount of Prize Money at UNIQLO Wheelchair Tennis Tour tournaments should be fully distributed
- b) Information about the prize money breakdown should appear on the tournament fact sheet. Any taxes to be paid should be announced on the factsheet. The ITF will only publish the amount of prize money being given to the Main Draw.
- c) Information about the breakdown and distribution of the prize money should be available to the players in the following manner:
 - in the players' information pack
 - before the start of the tournament
 - displayed at the tournament office
 - in the tournament programme
- d) Each tournament should fill in a prize money report after the tournament is completed, showing the actual amounts of prize money, the distribution and the names of the players with the amounts they received.
- e) No reduction in the total prize money is permitted after it is announced. The prize money distribution can be changed if it is incorrect. Tournaments should deduct the appropriate taxes before publication of the total prize money. Alternatively, tournaments should state the applicable national tax regulations in their entry forms and on the Tournament Factsheet.
- f) In the cases where the minimum number of players or teams is not met and no ranking points are awarded, no prize money will be awarded.
- g) Prize money should be paid immediately at the conclusion of the tournament.
- h) Tournaments are required to provide supporting paperwork indicating the amount of prize money that the player has been allocated.
- i) A player who is deemed a "No Show" in the first round will receive no prize money.

Prize money shall be paid in cash or by cheque on-site or by bank transfer immediately following the event in US Dollars unless prior approval to pay

in any other currency is obtained in writing from the ITF no less than four (4) months prior to the start of the tournament.

A non-US tournament may elect to pay on-site prize money in US Dollars or in local currency. If local currency is selected, then the exchange rate for a given tournament (official ITF exchange rate) shall be the average of the six (6) months immediately preceding six (6) months prior to the tournament. If on the Monday, seven (7) days prior to the start of the tournament, there is a fluctuation in the official ITF exchange rate of five percent (5%) or more, up or down, then such exchange rate shall be adjusted, up or down as follows:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	None
Between 5-10%	5%
10% or greater	One-half the Exchange Rate Percentage Fluctuation *

(* For example, if the currency fluctuates 11% from the authorized exchange rate, the exchange rate will be adjusted by 5.5%).

Each Tournament electing to pay on-site prize money in a specific non-US currency shall obtain from the ITF the official ITF exchange rate determined as above provided and shall use the same.

Prize money will be split based on the percentages of men, women and quads in the singles main draw.

There is no Prize Money for the Second Draw.

In case a tournament cannot be completed because of bad weather conditions, prize money and ranking points will be added up and split equally between the players remaining in the tournament.

d) Percentages for prize money breakdown

80% of prize money is allocated to singles and 20% to doubles.

43. ITF WHEELCHAIR TENNIS RANKING SYSTEM

The ITF Ranking Department has developed the following ranking points structure for the Singles and Doubles Main Draw (men, women, quads and juniors), the Singles Consolation Draw (men, women and quads) and the Singles and Doubles Second Draw (men and women and quads where applicable).

The ITF Wheelchair Tennis ranking is calculated by combining the points of the top nine (9) tournaments for men, the top eight (8) tournaments for women and the top seven (7) tournaments for quads, based on a 52 week roll-over period. All men, women and quads must have competed in a minimum of two events and have earned points from the two events to obtain a ranking.

The ITF Wheelchair Tennis Junior Ranking is composed of 25% of points from the eligible adult ranking points (see section 47. ITF Wheelchair Tennis Ranking System) and all junior ranking points. For juniors, a ranking is obtained after having competed in one event.

The following draws of any tournament are eligible to gain points on the ITF Wheelchair Tennis ranking:-

Grand Slam Events

- Men's, women's and quad main draws, singles and/or doubles.

SS and ITF 1 – Futures Events

- Men's Main Draw and Second Draw, singles and doubles.
- Quad and Women's Main and Second Draws (where applicable), singles and doubles.

- Men's, women's and quad Main Draw singles consolation winner and runner-up; and semi-finals at Super Series events only.

Masters

- Men's, women's and quad draws, singles and doubles.

World Team Cup

- Final and Regional Qualifying Events.
- Men's, women's and quad events, singles and doubles.
- Points are awarded based on the opponent's ranking, as detailed in section 59. World Team Cup Points.

Points Allocation

With the exception of World Team Cup:

- A player is awarded points according to the round achieved.
- A player losing in the pre-round is awarded one (1) point.
- A player losing in the first round is awarded two (2) points.
- A player who receives a "bye" in the first round and loses in the second round receives two (2) points.
- A player who receives a "walkover" in the first round, and loses in the second round, receives second round points.
- A player who is deemed a "No Show" in the first round will receive no points and no prize money for that draw.
- There are no separate point tables for doubles. The same line of points will be allocated as for the singles draws.

Tied Ranking

When two or more players have the same total number of points, ties shall be broken as follows:

1. The number of events played e.g. the player with the least number of events played will be ranked higher.
2. If two or more players are still equal, players will be ranked based on the classification of tournaments where points have been won e.g. SS and ITF 1 receive higher recognition.

45. CONDUCT OF THE COMPETITION

a) Round Robin

i. The field will be divided into two (2) groups of three (3) or four (4) players/teams each. Seed 1 will go in group 1 and seed 2 will go in group 2. By draw will be decided if seeds 3 and 4 will go in group 1 or 2. The same procedure will be repeated for seeds 5 and 6 and seeds 7 and 8. In the case that there are four (4) players/teams as in the Quad event, there will be one (1) group.

However, games won or lost in matches with the defaulting player/team shall not be counted in the application of Paragraph (iii). A retiring player/team may still continue in the competition if it is determined by the Tournament Doctor that such player/team is able to compete at a professional level.

- v. Any player/team that withdraws from any Round Robin match after the first round shall not be eligible for the knock-out Competition.

In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, he may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this Section.

Violation of this section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to all ITF sanctioned Wheelchair Tennis events.

c) Determination and Penalty

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article 67(c), the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as

possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

If (and only if):

- (a) the Player or Related Person has pleaded guilty to, or otherwise admitted (for example, in response to a Notice of Charge) engaging in, conduct that constitutes a Major Offence; and
- (b) the Review Board has completed its review and has concluded that the Player or Related Person in question has a case to answer in respect of that Major Offence;

then the ITF may notify the Player in writing that he/she will be Provisionally Suspended with effect from the date 10 days after the date of deemed receipt of the notice, pending a full hearing. However, the ITF shall at the same time notify the Player or Related Person of his/her right, at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

d) Payment of fines

All fines levied by the Independent Tribunal for Major Offences shall be paid by the player to the ITF within thirty (30) days after receipt of written notice thereof. If the fine is not paid in thirty (30) days the ITF Executive Director will instruct the next ITF sanctioned wheelchair tennis event to withhold prize money due to the player until settlement is made.

e) Appeal

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

70. TOURNAMENT OFFENCES

a) Applicability

This Article shall apply to each ITF Tournament as defined in Chapter V and any Applicant for such an event. References in this Article to a “Tournament” shall hereafter mean an ITF Tournament or applicant for such a tournament, and where applicable refers to the legal entity (personal or corporate) that is applying for, administering, operating or otherwise organising the ITF Tournament.

b) Guarantees

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall the Tournament permit any other person or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player’s appearance at a Tournament other than prize money and permitted amateur expenses, unless authorised to do so by the Committee. Violation of this Section shall subject the Tournament to a fine up to \$1,000 plus the amount or value of any such payment, disqualification and loss of sanction, and/ or forfeiture of all sums, if any, previously paid to the ITF. In the event the ITF Executive Director believes that an Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

c) Wild Cards

No Tournament, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

d) Conduct contrary to the integrity of the game

No Tournament, or any owner, promoter or operator thereof, shall engage in conduct contrary to the integrity of the Sport. Violation of this Section shall subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

e) **ITF Wheelchair Tennis Rules**

No Tournament shall violate any provisions of these ITF Wheelchair Tennis Regulations. Violation of this Section shall subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

f) **Late cancellation**

No Tournament shall cancel less than fifty-six (56) days prior to the scheduled commencement of the event.

Violation of this section shall subject the Tournament to a fine, as outlined below, of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, reimbursement of unrecoverable expenses incurred, and possible withdrawal of its sanction.

g) **Failure to Meet Sponsorship Requirements**

If a Tournament is found to have not met sponsorship requirements according to the Wheelchair Tennis Rules and Regulations then the Tournament may be subject to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

h) **Determination and penalty**

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by an ITF Tournament Applicant and shall provide written notice of such investigation to the Applicant involved.

The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article 70, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case

to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and
- (c) the Tournament's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Tournament Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Tournament Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Tournament Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the tournament.

i) Hearing

If the Tournament charged exercises its right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

i) Payment of fines

All fines levied by the Independent Tribunal for Tournament Offences shall be paid by the Applicant to the ITF within thirty (30) days after receipt of written notice thereof.

Violation of this section may subject the applicant to a fine, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

k) Appeals

Any Tournament found to have committed a Tournament Offence may, after paying all fines as above provided, appeal the decision of the Independent Tribunal to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

71. INTERPRETATIONS

Any person or entity subject to this Code may file with the ITF Internal Adjudication Panel a request for an interpretation or clarification of the Code and/or its applicability and effect on a particular event or transaction.

HISTORY AND PUBLICATIONS

History

Over the past four decades, wheelchair tennis has been one of the fastest growing and most exciting international sports for the disabled. Originated in 1976 by American Brad Parks, the game has developed from a recreational activity to a professional sport. In response to its remarkable global growth, the International Wheelchair Tennis Federation (IWTF) was created in 1988 to govern, promote and develop the sport worldwide. There were originally eight founding member nations and it is estimated that wheelchair tennis is played in more than a hundred countries in all continents.

On 1st January 1998, the IWTF was fully integrated into the ITF, making it the first disabled sport to achieve such a union at an international level. In order to maintain links with former IWTF member nations, which include National Disability Organisations, National Wheelchair Tennis Associations and National Tennis Associations, the International Wheelchair Tennis Association (IWTA) was formed. The IWTA acted as an advisory body to the ITF Wheelchair Tennis Committee, representing the views of players and administrators. At the end of 2012, the IWTA was dissolved and an advisory panel established. In 2016 wheelchair tennis celebrated its 40th Anniversary.

Publications/Information

At the beginning of the year the ITF will publish Wheelchair Tennis Rules and Regulations. The Wheelchair Tennis Rules and Regulations includes information regarding the Rules, Competition and Events and the running of wheelchair tennis. The ITF will include articles on wheelchair tennis in the weekly publication “This Week” and in “ITF World” which is published 3 times a year. All news and information on wheelchair tennis can also be found on the following:

APPENDIX B

RULES OF WHEELCHAIR TENNIS

1. RULES OF PLAY

The game of wheelchair tennis follows the ITF Rules of Tennis with the following exceptions.

a. **The Two Bounce Rule**

The wheelchair tennis player is allowed two bounces of the ball. The player must return the ball before it bounces a third time. The second bounce can be either in or out of the court boundaries.

b. **The Wheelchair**

The wheelchair is considered part of the body and all applicable rules, which apply to a player's body, shall apply to the wheelchair.

c. **The Service**

The service shall be delivered in the following manner:

- i. Immediately before commencing the service, the server shall be in a stationary position. The server shall then be allowed one push before striking the ball.
- ii. The server shall throughout the delivery of the service not touch with any wheel, any area other than that behind the baseline within the imaginary extension of the centre mark and sideline.
- iii. If conventional methods for the service are physically impossible for a quad player, then the player or another individual may drop the ball for such a player and allow it to bounce before it is struck. If this is the case, the same method of serving must be used for the entire match.

d. **Player Loses Point**

A player loses a point if:

- i. The player fails to return the ball before it has bounced three times; or
- ii. Subject to rule e) below the player uses any part of his/her feet or lower extremities against the ground or against any wheel while delivering service, striking a ball, turning or stopping while the ball is in play; or
- iii. The player fails to keep one buttock in contact with his/her wheelchair seat when contacting the ball.

e. Propelling the Chair with the Foot

- i. If due to lack of capacity a player is unable to propel the wheelchair via the wheel then he may propel the wheelchair using one foot.
- ii. Even if in accordance with rule e) i. above a player is permitted to propel the chair using one foot, no part of the player's foot may be in contact with the ground:
 - a) during the forward motion of the swing, including when the racket strikes the ball;
 - b) from the initiation of the service motion until the racket strikes the ball.
- iii. A player in breach of this rule shall lose the point.

f. Wheelchair/Able-bodied Tennis

Where a wheelchair tennis player is playing with or against an able-bodied person in singles or doubles, the Rules of Wheelchair Tennis shall apply for the wheelchair player while the Rules of Tennis for able-bodied tennis shall apply for the able-bodied player. In this instance, the wheelchair player is allowed two bounces while the able-bodied player is allowed only one bounce.

***Note:** The definition of lower extremities is: the lower limbs, including the buttocks, hips, thighs, legs, ankles and feet.*

For the Rules of Play please refer to the ITF Rules of Tennis. Please go to: www.itftennis.com/officiating/rulebooks/rules-of-tennis.

APPENDIX C

PROTESTS AND APPEALS

I. PARTIES ENTITLED TO PROTEST/APPEAL

Only the following parties are entitled to appeal the eligibility or Protest the Classification status of a wheelchair tennis player (a “Protest”) or appeal against the procedures by which a Classification has been conducted (an “Appeal”):

- The player (against the eligibility or Classification status assigned to him/her only) (the “Player”)
- An ITF National Association (through its general secretary)
- The ITF Wheelchair Tennis Committee.

II. NUMBER OF PROTESTS

The classification status of a player can only be protested once by any party.

III. ADMISSIBILITY OF A REQUEST

To be admissible, a Protest or Appeal must be submitted to the ITF Executive Director in writing by one of the parties entitled to appeal (the “Protestor” or “Appellant”, as appropriate). Where the Appellant is the Player, the Appeal must be received within two weeks of receipt of determination of eligibility or Classification. The ITF Executive Director will refer the application to the Expert Panel.

IV. EXPERT PANEL AND ITF INTERNAL ADJUDICATION PANEL

Appeals and Protests shall be reviewed by a panel (the "Expert Panel") appointed by the ITF, which shall consist of no fewer than three people with relevant expertise and which shall act in an advisory capacity only. The Expert Panel will make a recommendation on the Protest/Appeal to the ITF Internal Adjudication Panel, which shall consider and determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against its decision). No member of the Expert Panel or the ITF Internal Adjudication Panel shall be a member of the ITF Classification Panel that was involved in the decision being appealed or subject to Protest.

V. PROCEDURE

The Expert Panel shall review the Protest/Appeal in the manner it considers appropriate in the circumstances. There is no obligation for the Expert Panel to meet in person.

The Protestor/Appellant shall provide the Expert Panel with all relevant documentation relating to the Protest/Appeal including (at a minimum):

- The name and country of the Player whose eligibility or Classification status is the subject of the Protest, or whose Classification procedures are being appealed;
- Full details of the Appeal/Protest
- The Protest form (where appropriate)
- The decision being appealed/protested.
- The Player Declaration Form;
- The Minimum Eligibility Classification Form;
- The Quad Division Tennis Classification Form (as appropriate);
- Any documents and other evidence to be offered in support of the Protest/Appeal;
- All fees payable.

All documentation submitted as part of the Appeal/Protest shall be provided to the Player and any other party identified in the Protest/Appeal.

The Expert Panel may request other information from the Protestor/Appellant and/or Player as it sees fit, such as medical evidence of permanent physical disability and/or the Player's pertinent medical records, including pertinent diagnostic studies. The Expert Panel may also require the Player to undergo evaluation by a relevant specialist. Any request for information, assistance and/or evidence must be complied with within a reasonable time limit as directed by the Expert Panel.

The Expert Panel will provide its written recommendation on the Protest/Appeal with a copy of the full case file reviewed to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against its decision). The ITF Internal Adjudication Panel may request (as it deems necessary) clarification or further information from the Expert Panel. The Player must be informed of the Protest/Appeal and the grounds on which it is made, and must be given a reasonable opportunity to be heard and/or provide information/evidence. If the ITF Internal Adjudication Panel considers that a hearing is required, then the Protestor/Appellant and the Player are entitled to be present. The non-attendance of the Protestor/Appellant (or any other witness) at a hearing will not prevent the ITF Internal Adjudication Panel from proceeding and making a determination. Any hearing shall ordinarily be held in private and shall be confidential.

If the Protestor/Appellant and/or Player fail(s) to comply with a request for assistance, information or evidence upon which the Protest/Appeal is based within the time period designated by the Expert Panel or ITF Internal Adjudication Panel, the ITF Internal Adjudication Panel will dismiss the Protest/Appeal. If the Protestor/Appellant and/or Player fail(s) to submit evidence or information and/or

provide assistance within the time designated by the Expert Panel or the ITF Internal Adjudication Panel, the ITF Internal Adjudication Panel will suspend the Player from competition until such time as the evidence, information and/or assistance is provided.

VI. DETERMINATION

On completion of its consideration of the Expert Panel's recommendation, the case file and any submissions made, whether in writing or at a hearing, (and subject to a failure on the part of the Protestor to comply with a request of the Expert Panel or ITF Internal Adjudication Panel), the ITF Internal Adjudication Panel shall determine that:

For Protests

- The Player's original eligibility or Classification status is confirmed, or;
- The Player's original eligibility or Classification status is changed (and specify what that change is), or;
- The Player must undergo a further classification.

The ITF Internal Adjudication Panel may only determine that the Player's eligibility and/or Classification status is changed if it is unanimous in that view.

For Appeals

- The Appeal is dismissed, or;
- The Appeal is upheld, or;
- The Appeal is partially upheld.

The ITF Internal Adjudication Panel shall provide all parties a written decision, with reasons. The ITF Executive Director shall communicate the ITF Internal Adjudication Panel's determination to the Player and the Appellant as soon as reasonably practicable following the determination. The determination shall be final and binding on receipt by the Player.

VII. ELIGIBILITY

The original eligibility and/or Classification status of a Player subject to Protest/Appeal will remain unchanged pending the outcome of the Protest/Appeal.

If the ITF Internal Adjudication Panel determines that the Player's eligibility and/or Classification status is changed, then the new eligibility and/or Classification status shall apply immediately on receipt by the Player of the ITF Internal Adjudication Panel's determination.

If the Player participates in an ITF-sanctioned wheelchair tennis event while his eligibility and/or Classification status is under appeal, and is subsequently determined by the ITF Internal Adjudication Panel to be ineligible and/or

differently Classified, no match results obtained by the Player during that period shall be re-assessed, except in the case of a final, in which case the Player's win(s), if any, will be reversed. This may result in the player (or nation) who originally lost the final being declared the Champion (or Champion Nation).

VIII. FEES AND COSTS

All Protests and Appeals are subject to payment of a fee. This fee is US\$150 for a Protest and US\$300 for an Appeal. No Protest or Appeal will be considered until all payable fees have been received by the ITF. In the event that the Protest/Appeal is successful, the fee will be returned. Otherwise, all fees shall be retained by the ITF.

Costs incurred by a Player subject to Protest/Appeal (e.g. in obtaining medical or any other evidence and/or providing information and/or assistance to the ITF Internal Adjudication Panel) shall be borne by the Player. However, the ITF Internal Adjudication Panel may determine that the Protestor/Appellant meet the reasonable costs necessarily incurred by the Player in responding to the Protest/Appeal (either in whole or in part).

IX. CLASSIFICATION PROTEST DEADLINE FOR THE PARALYMPIC TENNIS EVENT

Protests against the eligibility or Classification status of a Player to compete in the Paralympic Tennis Event ("PTE") are only admissible from the end of the PTE until one year prior to the start of the next PTE. The ITF will not accept any Protests outside of this period to provide certainty of preparation for all players aiming to qualify for the PTE.

X. CHANGE OF CIRCUMSTANCES

Subject to the previous section ('Classification protest deadline for the Paralympic Tennis Event'), on the recommendation of the Expert Panel the ITF Internal Adjudication Panel may, at any time, decide to re-open a Protest/Appeal where it believes, in its absolute discretion, that there has been a change in a Player's circumstances that might affect that Player's eligibility and/or Classification status.

Such circumstances may result from:

A change in the degree of impairment of a Player.

- a) A Player demonstrating significantly less or greater ability prior to or during Competition which does not reflect the Player's current Classification.
- b) An error made by a Classification Panel, which has led to the Player being allocated a Classification which is not in keeping with the Player's ability.
- c) Classification criteria having changed since the Player's most recent Evaluation.

A re-opened Protest/Appeal shall follow the procedures described in this Appendix.

APPENDIX D

CLASSIFICATION AND ELIGIBILITY

I. TERMS OF REFERENCE

A. ITF SPORTS SCIENCE AND MEDICINE COMMISSION

1. Maintain a regular and ongoing review of the Rules, regulations and guidelines relating to scientific and medical aspects of the game;
2. Identify possible amendments to the Rules, regulations and guidelines relating to scientific and medical aspects of the game at the initiative of the Commission;
3. Review research in relation to the scientific and medical aspects of the game that is undertaken, commissioned and/or supported by the Integrity Department (including by the Commission itself).

B. ITF CLASSIFICATION PANEL

1. To determine eligibility matters in accordance with the Rules of Wheelchair Tennis and/or to appoint classifiers to adjudicate eligibility to play wheelchair tennis and quad tennis.
2. To consider applications from players to register as a quad player and determine whether a player is eligible to play in the Quad Draw or whether a quad tennis classifier(s) should assess such player.
3. To advise the ITF Wheelchair Tennis Committee with regard to eligibility and classification in wheelchair tennis.

II. GENERAL ELIGIBILITY

- A.** All players with a medically diagnosed permanent mobility related physical disability as defined in Rule IV.1.a) are eligible to compete in ITF sanctioned wheelchair tennis tournaments. Players must be prepared to present medical documentation that substantiates the disability.

B. GENERAL ELIGIBILITY CLASSIFICATION

In cases where players may be uncertain over their eligibility status to play wheelchair tennis, they may request to the ITF Executive Director that they be allowed to be classified. The ITF Executive Director shall have the discretion to determine whether such classifications should take place and if so, the location, timing and cost of such classification. If such classification is to take place, the player may be observed by an approved classifier(s) during practice, warm-up, play and/or at any time during the tournament stay. These observations by the classifier(s) may be supplemented by a review of the player's medical history and by a physical examination of the player. Based on the evidence of the classifier(s), the ITF Classification Panel will make a decision on the eligibility of the player. For the avoidance of any doubt, save for quad eligibility and the exceptional circumstances as per above, the procedures for general eligibility remain self-certification.

III. QUAD DRAW

A. QUAD ELIGIBILITY

It is recognized that fairness for competition necessitates a Quad Draw for wheelchair tennis. Adapting from the philosophy for classification in most of the other sports for persons with a disability, function and movement potential, in addition to minimal medical criteria, now form the basis for determining the criteria for the Quad Draw as defined in Rule IV.1.b and IV.1.c. The function and movement potential criteria are those specific for wheelchair tennis. It is also understood that medical conditions other than spinal cord injury may result in upper extremity impairment, and may allow a player to be eligible for the Quad Draw if the functional criteria set out in the Rules are met. The 'Quad' Draw may not be encompassing of all quadriplegic athletes. For avoidance of doubt, some quadriplegic athletes will be deemed eligible and some ineligible, under the criteria stipulated for quad tennis (please see Chapter IV, Eligibility Rules).

B. QUAD CLASSIFICATION

1. NEW QUAD PLAYERS

Players applying for quad status may apply to register throughout the year but such applications must be received at least three (3) months prior to the event they wish to enter. Quad registration forms are available through the ITF, the players' member nation, and the ITF website. Fully completed forms will be examined by members of the Classification Panel, who will ordinarily advise the player within six (6) weeks if the player is eligible provisionally for quad tennis (P status). The player will therefore be able to compete in a maximum of four tournaments on the UNIQLO Wheelchair Tennis Tour (this includes only one ITF 1 event and no BNP Paribas World Team Cup, Paralympics, Super Series and Grand Slams) within

any 12 month period. If a player with a P status wishes to compete in further ITF sanctioned tournaments, he must attend for classification.

2. CLASSIFICATION

Subject to paragraph B1 above, in order to ascertain whether a player is eligible to play wheelchair tennis in the Quad Draw, the player will be observed by an approved classifier(s) during practice, warm-up, play and/or at any time during the tournament stay and will be assessed on a points system as laid down in the ITF Quad Tennis Classification Manual. These observations by the classifier(s) may be supplemented by a review of the player's medical history and by a physical examination of the player to provide further information to assist in deciding whether the player is eligible to play in the Quad Draw. Training and experience do not affect movement potential and so do not have any bearing on the eligibility of the player.

3. ELIGIBILITY CODES

Following a classification, players will be informed of their classification score and subsequent eligibility status. The status will be one of the following:

C Confirmed

Players with the C status have been classified as eligible to play quad wheelchair tennis. This status would remain unless the classification criteria are reviewed and/or there is a need for re-classification (e.g. protest).

R Review

A player with this code is under classification review. The classifiers have been unable to reach a definite decision following the initial assessment. The player can compete but will remain under observation. The R status will expire 12 months after the player is given this status or before that time if the player has been reviewed as ineligible/eligible. It is the responsibility of the player to ensure that he attends another classification event and/or arrange classification before the 12 month period lapses. The R code may only be given once for the maximum length of 12 months.

R Status players are not eligible to play in the BNP Paribas World Team Cup, Paralympics and any Super Series or Grand Slam events.

P Provisional

Upon receipt of the quad registration form with the fully completed paperwork, the Classification Panel will decide if the player will receive the provisional status, which will allow him/her to compete in a maximum of 4 UNIQLO Wheelchair Tennis Tour events (Futures Series, ITF 3 and 2 Series, and only one ITF 1 event). No player should have more than four events on their ranking at any time.

However, a player assigned the P status may be required to attend classification at any time prior to this if this is deemed necessary.

P Status players are not eligible to play in the BNP Paribas World Team Cup, Paralympics and any Super Series or Grand Slam events.

U Unclassifiable

Classifiers have been unable to classify the player. The testing process may not have been completed or was made impossible due to pain, spasticity or lack of co-operation from the player. This player will be given an unclassifiable status and deemed ineligible to compete in the Quad Draw.

APPENDIX E

GLOSSARY OF TERMS

Musculoskeletal Definitions

Upper extremity refers to the arms, including the shoulder joint. Lower extremity refers to the legs, including the hip joint and gluteal muscles. Ankylosis of the joint is the immobility and consolidation of a joint due to disease, injury, or surgical procedure. Arthrosis of a joint is any abnormal physical change, with or without inflammation. The metatarsophalangeal joints are the joints at the junction of the foot and the toes. The metacarpophalangeal joints are the knuckles of the hands.

Neurological Definitions

The nervous system can be generally divided into the brain, spinal cord and peripheral nerves. The central nervous system refers to the brain and spinal cord, and a central injury refers to an injury to the central nervous system. When referring to the spinal cord, rostral means above, or closer to the brain.

The spine is divided into four segments. The cervical spine is an extension of the brainstem into the neck. The thoracic (dorsal) spine corresponds generally to the region from the neck to above the hipbones. The lumbar spine corresponds generally to the region of the lower back. The sacral spine is within the pelvis.

i. Cervical Spine

There are 8 cervical spinal levels, referred to as C1 through C8. A spinal cord injury above C5 may be associated with loss of function of all of the muscles of the upper extremities. A spinal cord injury at C8 results in loss of function of the hand muscles.

ii. Thoracic Spine (also known as dorsal spine)

There are 12 spinal levels, referred to as T1 through T12. Except for T1, which contributes to minor control of hand muscles, injury to the dorsal spine may result in loss of function to the lower extremities. With more rostral spine injuries, trunk control may become more affected. For example, T5 is at the level of the nipple, and T10 is at the level of the umbilicus.

iii. Lumbar Spine

There are 5 lumbar spinal segments, referred to as L1 through L5. With more rostral spine injuries (L1 through L3) weakness may result in all of the major lower extremity muscles. L5 injury may result in weakness of gluteal muscles and muscles that control ankle movement.

iv. Sacral Spine

There are 4 sacral spinal segments, referred to as S1 through S4. Only S1 contributes to motor function, the primary muscle being the gastrocnemius, or calf muscle, which allows the foot to push off when walking or running.

Severe Arthrosis Definitions

Severe arthrosis is defined radiographically, and must be characterised by:

Degeneration of articular cartilage (radiographically apparent joint space narrowing), plus any 1 of the following 3:

- i.** Hypertrophy of bone at the margins (spurring)
- ii.** Bony sclerosis of the articular surface
- iii.** Subchondral cystic changes

Phocomelia

A developmental anomaly characterized by absence of the proximal portion of a limb. For example, the hand may be attached to the trunk of the body by a single bone.

Myopathy

A primary disease of the muscle.

Muscular Dystrophy

A genetic condition which leads to wasting and weakness within the muscle.

Motor Function

The innate capability of a muscle to perform a specified action irrespective of skill or practice.

APPENDIX F

MEDICAL CONDITIONS RULE

Medical

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist/Athletic Trainer (also known as the Primary Health Care Provider) during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. The use of supplemental oxygen on-court is not permitted at any time.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Physiotherapist/Athletic Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.*

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Physiotherapist/Athletic Trainer is ready to start treatment. At the discretion of the Physiotherapist/Athletic Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.*

The Medical Time-Out is limited to three (3) minutes of treatment. However, the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Physiotherapist/Athletic Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle

cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor/Referee or Chair Umpire for the special circumstance in which the Physiotherapist/Athletic Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist/Athletic Trainer must be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary. If requested by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that might impact on his/her ability to participate safely in a tournament, the Tournament Doctor should be called to assist the player as soon as possible.

If the issue arises during a match, the Chair Umpire shall immediately call for the Tournament Doctor to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a 3rd party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor/Referee of that fact. If the player refuses to take medical advice, or refuses to permit the Tournament Doctor to share that advice with the ITF Supervisor/Referee, the Tournament Doctor must report that refusal to the ITF Supervisor/Referee. Upon receipt of such advice or

report of refusal, the ITF Supervisor/Referee shall declare that the player is being retired from the match in progress or withdrawn from the match to be played (as applicable). If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor/Referee accordingly.

The player may subsequently compete in another event at the same tournament (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

APPENDIX G

TOUR CLASSIFICATION

Tournament classifications on the UNIQLO Wheelchair Tennis Tour shall be determined by the ITF Wheelchair Tennis Committee. The following principles are used and are reviewed annually.

PRINCIPLES

a. Pyramid System

A pyramid system is used to try and maintain the categorisation of the UNIQLO Wheelchair Tennis Tour. The following categories will be used: Grand Slams, Super Series, ITF 1, ITF 2 and ITF 3 Series and ITF Futures Series.

There will be a few Grand Slam and Super Series events, more ITF 1 and ITF 2 and the number of tournaments will increase as you reach the ITF Futures Series level.

b. Balance

The ITF endeavours to create a balance of Grand Slams, Super Series and ITF/Futures Series between Africa, the Americas, Asia, Europe and Oceania,.

c. Classification Criteria

- Organisation
- Venue
- Transport
- Accommodation
- Officiating
- Prize Money
- Promotion

Tournaments will only be up or down graded one (1) category per year (except in exceptional circumstances).

d. Other factors

Other factors such as (wheelchair) tennis history, different world areas etc. will also be taken into account.

APPENDIX H

WELFARE POLICY

Any coach, trainer, manager, agent, medical or para-medical personnel and/or family member, tournament guest, or other similar associate of any player (together “Player Support Team Member”), any player and any tournament personnel, such as an official, tournament director, staff, volunteer, sponsor, health care provider, ITF staff member and members of the media (together “Credentialed Person”) shall conduct himself/herself in a professional manner at all times and in accordance with this ITF Welfare Policy. In this ITF Welfare Policy Player Support Team Members, players and Credentialed Persons shall be defined as “Covered Persons”.

a. Elements of the Welfare Policy.

i. Application

a) Covered Persons shall be familiar with, and must abide by, this ITF Welfare Policy.

ii. Unfair and/or Discriminatory Conduct

a) Covered Persons shall not engage in unfair or unethical conduct including any attempt to injure, disable or intentionally interfere with the preparation or competition of any player.

b) Covered Persons shall not discriminate in the provision of services on the basis of race, ethnicity, gender, national origin, religion, age or sexual orientation.

iii. Abuse of Authority; Abusive Conduct

a) Covered Persons shall not abuse his/her position of authority or control, and shall not attempt to or compromise the psychological, physical or emotional wellbeing of any player.

b) Covered Persons shall not engage in abusive conduct, either physical or verbal, or threatening conduct or language directed toward any Covered Person, parent, spectator or member of the press/media.

c) Covered Persons shall not exploit any player relationship to further personal, political or business interests at the expense of the best interests of the player.

iv. Sexual Conduct

In order to prevent sexual abuse and the negative consequences resulting from the imbalance of a dual relationship, sexual conduct of any kind between any player and his/her Player Support Team Members and/or Credentialed Persons is discouraged.

In addition, the following conduct is specifically prohibited:

a) Covered Persons shall not make sexual advances towards, or have any sexual contact with, any player who is (i) under the age of 17, or (ii) under the age of legal majority in the jurisdiction where the conduct takes place or where the player resides.

b) Covered Persons shall not sexually abuse a player of any age. Sexual abuse is defined as the forcing of sexual activity by one person on another person (i) of diminished mental capacity; or (ii) by the use of physical force, threats, coercion, intimidation or undue influence.

c) Covered Persons shall not engage in sexual harassment - for example, by making unwelcome advances, requests for sexual favours or other verbal or physical conduct of a sexual nature where such conduct may create an intimidating, hostile or offensive environment.

d) Player Support Team Members and Credentialed Persons shall not share a hotel room with a player who is (1) under the age of 17, or (2) under the age of legal majority in the jurisdiction where the hotel is located or where the player resides, unless such Player Support Team Member or Credentialed Person is the player's parent or is related to the player and authorised in writing by the player's parent. Penalties will apply to any underage player who is found to have violated this Hotel Room Policy. These penalties can include: forfeiture of points from the tournament(s) where the violation occurred and/or monetary fines equal to the amount of the hotel room rates and/or forfeiture of hotel per diem rates as applicable, for the tournament(s) where the violation occurred. Such penalty shall be in addition to any penalties that may be imposed on the Player Support Team Member or Credentialed Person pursuant to sub-Section b) below.*

* In exceptional circumstances the ITF will permit an adult to share with a junior wheelchair tennis player provided that a care plan is in place that identifies that the player requires assistance in the room, that parental consent is given and the adult has undertaken a criminal records/police check. For further information please contact the ITF Wheelchair Tennis Department.

v. Criminal Conduct – Covered Persons shall comply with all relevant criminal laws. For greater certainty and without limiting the foregoing, this obligation is violated

if a Covered Person has been convicted of or entered a plea of guilty or no contest to a criminal charge or indictment involving (a) an offence involving use, possession, distribution or intent to distribute illegal drugs or substances, (b) an offence involving sexual misconduct, harassment or abuse, or (c) an offence involving child abuse. Further, this obligation may be violated if a Covered Person has been convicted of or entered a plea of guilty or no contest to an offence that is a violation of any law specifically designed to protect minors.

- vi. Anti-Doping Activity – Covered Persons shall not commit any offence under the terms of the ITF’s Anti-Doping Programme or aid, abet, counsel or procure in any way any person’s offence under that Programme.
- vii. Conduct in General – Covered Persons shall not conduct himself/herself in a manner that will reflect unfavourably on the ITF, any tournament, event or circuit owned or sanctioned by the ITF (the “ITF Tournaments”), any player, official or the game of tennis.

b. Violations/Procedures

- i. Any individual who believes that any Covered Person has failed to meet his/her obligations under this Welfare Policy may file a written complaint with the ITF. That complaint shall identify the complainant and state specifically the nature of the alleged misconduct. Upon receipt of such a complaint, the ITF shall promptly investigate the matter to consider whether there has been a breach of this Welfare Policy (a “Welfare Offence”).
- ii. All Covered Persons must cooperate fully with such investigations. The ITF may make a written demand to a Covered Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Welfare Offence, including (without limitation) requiring the Covered Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Covered Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.
- iii. Where, as the result of an investigation under this Appendix H, the ITF forms the view that a Covered Person has a case to answer for commission of a Welfare Offence, the ITF shall refer the matter to the Review Board.

Review Board

- iv. The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer for a breach of this Welfare Policy (a “Welfare Offence”). The ITF shall send the entire dossier of evidence to the Review Board member(s). Where

necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

- v. Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Covered Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

- vi. When the Review Board determines that a Covered Person has a case to answer, the ITF will send a written notice to the Covered Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:
 - a. the Welfare Offence alleged to have been committed, and a summary of the facts upon which such allegations are based;
 - b. the potential consequences applicable if it is determined that the alleged Welfare Offence has been committed; and
 - c. the Covered Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - i. to admit the Welfare Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - ii. to admit the Welfare Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing;
or
 - iii. to deny the Welfare Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
 - d. if the Covered Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Covered Person's receipt of the Notice. The request must also state how the Covered Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Covered Person will be deemed to have admitted the Welfare Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

- vii. In the event that the ITF withdraws the Notice of Charge, or the Covered Person admits the Welfare Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the

commission of the Welfare Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Covered Person.

Provisional Suspension

- viii. If (and only if):
- a. The Covered Person has pleaded guilty to, or otherwise admitted (for example, in response to a Notice of Charge) engaging in, conduct that constitutes a Welfare Offence; and
 - b. the Review Board has completed its review and has concluded that the Covered Person in question has a case to answer in respect of that Welfare Offence;

then the ITF may notify the Covered Person in writing that he/she will be Provisionally Suspended with effect from the date 10 days after the date of deemed receipt of the notice, pending a full hearing. However, the ITF shall at the same time notify the Covered Person of his/her right, at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable.

- ix. A Covered Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Sanction

- x. The Independent Tribunal may impose appropriate sanctions including (a) denial of privileges or exclusion of the person in question from any or all ITF Tournaments, or (b) such other sanctions including monetary sanctions as the ITF Internal Adjudication Panel may deem appropriate.

Appeal

- i. Decisions of the Independent Tribunal may be appealed to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

Miscellaneous

- i. Any decision of the ITF Internal Adjudication Panel pursuant to this Welfare Policy may be communicated to those Member National Associations, other tennis organisations and ITF Tournament organisers deemed necessary by the ITF Internal Adjudication Panel.

- ii. Notwithstanding, and without prejudice to, the above:
 - a. The ITF reserves the right to share information concerning a complaint with and/or conduct an investigation in conjunction with any tennis organisation as specified above;
 - b. The ITF may refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate; and
 - c. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by other tennis organisations as specified above and/or relevant authorities.

APPENDIX I

RECIPROCITY

The ITF reserves the right to ask the ITF Internal Adjudication Panel to affirm, modify or reject with respect to any or all ITF Wheelchair Tennis tournaments, a suspension or other sanction issued against a Covered Person (as defined in Appendix H - ITF Welfare Policy) either by or on behalf of the ITF pursuant to a conduct or disciplinary process under any ITF code or policy or by any other tennis organisation including the Women's Tennis Association and Association of Tennis Professionals.

The ITF Internal Adjudication Panel shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities he considers appropriate in his absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

APPENDIX J

THE PLAYERS

Any reference to players in this Article shall apply to the Captain where appropriate.

Definition of “Good Standing” of a Player

For the purpose of regulation 54.f., a National Association shall deem a player to be of “good standing” where he/she:

- (a) is free from a suspension imposed by his/her National Tennis Association, or by the ITF, or through the imposition of a suspension under a Code of Conduct accepted and approved by the ITF
- (b) is accepted by his/her National Tennis Association as being under its jurisdiction while competing in events for which his/her National Tennis association has selected him/her;
- (c) makes himself/herself available for selection for the BNP Paribas World Team Cup and accepts the jurisdiction of his/her National Tennis Association while competing in events for which they have selected him/her;
- (d) respects the spirit of fair play and non-violence at all times;
- (e) accepts the conditions of entry of the events he enters, including the conditions of any code of conduct adopted for those events and the terms and conditions contained in the IPIN registration system;
- (f) agrees to undergo any medical control, including gender control and/or other tests which are in operation at any event which he enters;
- (g) has not been convicted by a competent court of a country of an offence:
 - (i) in respect of which an unsuspended sentence of at least 12 months was imposed; or
 - (ii) which involved any act or omission which would reasonably be considered to compromise the integrity of tennis, his/her National Tennis Association, the ITF and/or the safety of those taking part in and/or attending a UNIQLO Wheelchair Tennis Tour tournament or BNP Paribas World Team; and
- (h) has not otherwise engaged in conduct which brings his/her National Tennis Association and/or the ITF into disrepute.

A player who fails to satisfy any of the criteria at (a)-(h) above but intends to be considered for selection, must establish to the satisfaction of his/her National Tennis Association that he/she is of “Good Standing” notwithstanding his/her failure.

Any Appeal against a final decision handed down by a National Association shall be lodged with the ITF Internal Adjudication Panel within 21 days of notification of the decision in question. Recourse may only be made to the ITF Internal Adjudication Panel after all other internal channels of appeal to a National Association have been exhausted. The decision of the ITF Internal Adjudication Panel will be provided in writing and shall be final and binding. The ITF Internal Adjudication Panel in its absolute discretion may set aside the determination of a National Tennis Association that a player is of “Good Standing”.

The ITF Internal Adjudication Panel will give a ruling having taken into account all relevant matters.

Gender Verification

In any competition, a player may be required upon request to submit to gender verification to determine sexual status.

In the event that the gender of a player is questioned, the medical delegate (or equivalent) of the ITF shall have the authority to take all appropriate measures for the determination of the gender of a competitor.

The results of any tests conducted will not be made public out of deference to the human rights of the individual concerned but will be reported to the Chairman of the ITF Sport Science and Medicine Commission who shall advise the Board of Directors of the gender of the player concerned.

Failure by a player to submit to testing upon the request of the ITF shall subject the player to immediate suspension from the competition until such time as the appropriate testing is carried out in accordance with these Regulations.

Transsexuals

Any individuals undergoing sex reassignment from male to female before puberty are regarded as girls and women (female), while those undergoing reassignment from female to male are regarded as boys and men (male).

Individuals undergoing sex reassignment from male to female after puberty (and the converse) are eligible for participation in female or male competitions, respectively, under the following conditions:

- a. Surgical anatomical changes have been completed, including external genitalia changes and gonadectomy.
- b. Legal recognition of their assigned sex has been conferred by the appropriate official authorities.
- c. Hormonal therapy appropriate for the assigned sex has been administered in a verifiable manner and for a sufficient length of time to minimise gender-related advantages in sport competitions.
- d. Eligibility should begin no sooner than two years after gonadectomy.

In all instances, a confidential case-by-case evaluation will occur.
