NATIONAL SEMINAR ON BASIC AUDIOLOGICAL ASSESSMENT

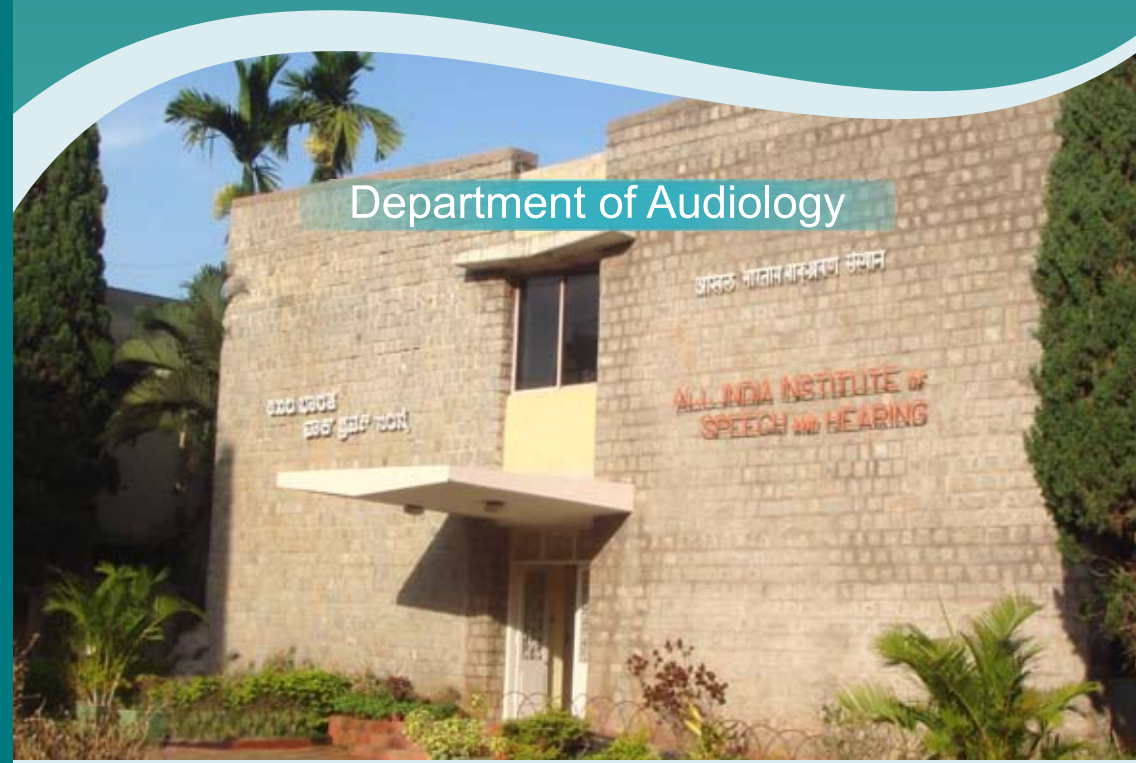

8 -10 October, 2014

Approved by RCI for CRE Status

The All India Institute of Speech and Hearing - a centre of excellence in the field of communication disorders was established in the year 1965 as an autonomous institute fully funded by the Ministry of Health and Family Welfare, Government of India. The major objectives of the institute are to impart professional training, conduct research render clinical services and educate the public on issues related to communication disorders such as hearing impairment, speech & languages disorders associated with mental retardation, cerebral palsy, cleft lip and palate, learning disability etc.

Situated in a lush green campus of 32 acres adjacent to the University of Mysore in Manasagangothri, Mysore, it is a unique institute in the Asian sub-continent with its eleven departments and a well equipped Library and Information Centre. These departments have state-of-the-art facilities to offer inter-disciplinary training to the students.

AIISH caters to clients of all ages having a whole range of communication disorders. The institute attracts students from all over India and abroad. The institute has been recognized as a Centre of Excellence in the area of Deafness by WHO, as a Centre for Advanced Research by UGC and as a Science and Technology Institute by DST. The institute has been recognized as a Nodal Centre for the implementation of National Program for Prevention and Control of Deafness of Ministry of Health and Family Welfare, Government of India as well as for generating man power for the same. Till date, 1436 students received undergraduate degrees and 1181 post-graduate degrees from AIISH. In addition, 53 Ph.Ds in Speech and Hearing, Audiology and Speech-Language Pathology have been awarded under the able guidance of the faculty of the institute. Further, in the allied disciplines like Clinical Psychology, Linguistics, Electronics & Acoustics, eight faculty members in AIISH have obtained Ph.D and some more pursuing the same.

NATIONAL SEMINAR ON BASIC AUDIOLOGICAL ASSESSMENT

The All India Institute of Speech and Hearing (AIISH) was established in the year 1965 as an autonomous institute fully funded by the Ministry of Health and Family Welfare, Government of India. The major objectives of the institute are imparting professional training, conducting research in the areas of speech, language and hearing, rendering clinical services and educating the public on issues related to the communication disorders.

The comprehensive audiological evaluation involves use of different test protocols for the diagnosis and rehabilitation of various hearing disorders. The knowledge of selecting the appropriate protocol and handling of audiological equipments is very much essential for the accurate hearing assessment. Hence, the professionals and the students who are dealing with the individuals with hearing disorders require adequate training in selecting appropriate protocols and efficient handling of various audiological instruments for better diagnosis and rehabilitation.

In this regard, the Department of Audiology of the institute is organizing three days workshop on "National seminar on Basic Audiological Assessment" from 08th to 10th October 2014. The objectives of the workshop is to update and enrich the knowledge of the speech and hearing professionals and students on basics of audiological evaluation, usefulness of different audiological tests in differential diagnosis and better handling of audiological equipments. It is open to the undergraduate and post graduate students, professionals in the field of speech and hearing.

Registration is restricted to 150 participants. Interested participants may register by sending the filled in registration form which is enclosed. The registration fee has to be paid in cash/DD taken in favor of the Director, AIISH, payable at Mysore.

Registration Fee ₹ 500/-

Please Note: Registration fee includes coffee/tea and lunch.
