About the Conference

Every discipline has its own frills of glories and challenges, often having an evolutionary course that gets shaped by the ebbs of this ever changing world. Conferences and professional exchange of ideas play a key role in this process of evolution.

National Institute for Empowerment of Persons with Multiple Disabilities [NIEPMD] takes great pleasure in hosting a two day Conference on Management of Hearing Loss in Children. The Conference is jointly organized by four national institutes (NIEPMD, AYJNIHH, SVNIRTAR & NIOH), in association with the esteemed Rehabilitation Council of India (RCI), State govt. of Odisha, NCED and OD-ISHA as its implementing partner. The conference will address all the issues surrounding empowerment of children having hearing loss ranging from early intervention, cochlear implants, educational empowerment, dealing with dual disabilities, sign languages to vocational empowerment of persons with hearing impairments.
