GENERAL REGULATIONS

GR.1. Insurance not provided for:

Motor Insurance in India cannot be transacted outside the purview of the India Motor Tariff unless specifically authorized by the TAC. For risks which have not been provided for in the tariff, reference should be made to TAC for advice thereon.

Motor Insurance includes Private Cars, Motorized Two Wheelers and Commercial Vehicles excluding vehicles running on rails.

GR.2. Proposal Forms:

Proposal Form as specified in Section 5 of the INDIA MOTOR TARIFF is required to be submitted by the insured to the insurer before the commencement of cover and at renewal in case of material alteration. For change of IDV at each renewal, however, a fresh proposal is not necessary. Such changes may be advised by the insured to the insurer by a letter signed by the insured/insured’s authorized signatory (for companies/body corporate) and sent to the insurer by recorded delivery. In case of change of insurer, a fresh proposal is required to be submitted to the new insurer. The insurers may include additional questions in the proposal form for their information and use.

GR.3. Policy Forms:

Policies insuring Motor Vehicles are to be issued only as per the Standard Form(s) given in Section 6 of the INDIA MOTOR TARIFF.

A. Types of Policies

There are two types of Policies:

(i) Liability Only Policy: This covers Third Party Liability for bodily injury and/or death and Property Damage. Personal Accident Cover for Owner- Driver is also included.

(ii) Package Policy: This covers loss or damage to the vehicle insured in addition to (i) above.

Restricting the scope of cover under Section-I (loss of or damage to the vehicle insured) of the Package policy without any reduction in Tariff rates is permitted. Excepting this, no alteration or extension of any of the Covers, Terms, Conditions, Exclusions, etc. of any of the Policies/Endorsements laid down in this tariff is permitted without prior approval of the TAC.
B. Rating:

Rates provided under this Tariff are minimum rates. Loading on tariff premium rates by 100% may be applied for adverse claims experience of the vehicle insured and individual risk perception as per the insurer’s assessment. If the experience continues to be adverse, a further loading of 100% on the expiring premium may be applied. No further loading shall apply.

GR.4. Extension of Geographical Area

The Geographical Area of Motor Policies may be extended to include

a) Bangladesh
b) Bhutan
c) Nepal
d) Pakistan
e) Sri Lanka
f) Maldives

as the case may be, by charging a flat additional premium, as stated below for a period not exceeding 12 months:

<table>
<thead>
<tr>

<th>Rs.500/ per vehicle, irrespective of the class of vehicle.</th>
</tr>
</thead>
<tbody>
<tr>
<td>For policies other than Package Policy</td>
<td>Rs.100/ per vehicle, irrespective of the class of vehicle.</td>
</tr>
</tbody>
</table>

For such extensions **Endorsement IMT 1 is to be used.**

Such geographical extensions, however, specifically exclude cover for damage to the vehicle/ injury to its occupants/ TP liability in respect of the vehicle during air passage/ sea voyage for the purpose of ferrying the vehicle to the extended Geographical Area.

GR.5. Vintage Cars

Any car manufactured prior to 31-12-1940 and duly certified by the Vintage and Classic Car Club of India can be considered a Vintage car for the purpose of this tariff.

GR.6. Classic Cars

Any car manufactured after 31-12-1940, but before 31-12-1970, is considered as a Classic Car by the Vintage and Classic Car Club of India. There is however, no provision for special rating or cover for such vehicles under this tariff.
GR.7. Valued Policies

Under an **Agreed Value Policy** a specified sum agreed as the **insured value of the vehicle** is paid as compensation in case of Total Loss/Constructive Total Loss of the vehicle without any deduction for depreciation.

It is **not** permitted to issue **Agreed Value Policies** under this tariff excepting for policies covering **vintage cars** as defined under 5 above.

For such policies, **Endorsement IMT-2 is to be used.**

GR.8. Insured’s Declared Value (IDV)

The **Insured’s Declared Value (IDV)** of the vehicle will be deemed to be the ‘SUM INSURED’ for the purpose of this tariff and it will be fixed at the commencement of each policy period for each insured vehicle.

The IDV of the vehicle is to be fixed on the basis of manufacturer’s listed selling price of the brand and model as the vehicle proposed for insurance at the commencement of insurance /renewal and adjusted for depreciation (as per schedule specified below). The IDV of the side car(s) and / or accessories, if any, fitted to the vehicle but not included in the manufacturer’s listed selling price of the vehicle is also likewise to be fixed.

The schedule of age-wise depreciation as shown below is applicable for the purpose of Total Loss/Constructive Total Loss (TL/CTL) claims only. A vehicle will be considered to be a CTL, where the aggregate cost of retrieval and / or repair of the vehicle subject to terms and conditions of the policy exceeds 75% of the IDV.

The depreciation for replacement of parts in partial loss claims will be as per a separate schedule specified under GR.9.

For the purpose of TL/CTL claim settlement, this IDV will not change during the currency of the policy period in question. It is clearly understood that the liability of the insurer shall in no case exceed the IDV as specified in the policy schedule less the value of the wreck, in ‘as is where is’ condition.

GR.9. Depreciation on Parts for Partial Loss Claims

The following rates of depreciation shall apply for replacement of parts for partial loss claims in respect of all categories of vehicles / accessories.

1. Rate of depreciation for all rubber nylon/ plastic parts, tyres and tubes, batteries and air bags 50%

2. Rate of depreciation for all fibre glass components 30%

The transferee shall apply within fourteen days from the date of transfer in writing under recorded delivery to the insurer who has insured the vehicle, with the details of the registration of the vehicle, the date of transfer of the vehicle, the previous owner of the vehicle and the number and date of the insurance policy so that the insurer may make the necessary changes in his record and issue fresh Certificate of Insurance.

In case of Package Policies, transfer of the “Own Damage” section of the policy in favour of the transferee, shall be made by the insurer only on receipt of a specific request from the transferee along with consent of the transferor. If the transferee is not entitled to the benefit of the No Claim Bonus (NCB) shown on the policy, or is entitled to a lesser percentage of NCB than that existing in the policy, recovery of the difference between the transferee’s entitlement, if any, and that shown on the policy shall be made before effecting the transfer.

Where the vehicle so substituted is not a total loss, evidence in support of continuation of insurance on the substituted vehicle is required to be submitted to the insurer before such substitution can be carried out.

*Endorsement IMT - 4 is to be used.*

GR.19. Vehicles Subject to Hire Purchase Agreement

Policies and Certificates of Insurance are to be issued in the name of Hirer only and issuance in the joint names of the Hirer and Owner is prohibited. If Owner's interest is to be protected it should be done by the use of *Endorsement IMT - 5.*

For the purpose of the Personal Accident cover for the Owner-Driver granted under the policy, the insured named in the policy will continue to be deemed as the Owner-dri

GR.20. Vehicles Subject to Lease Agreement

Policies and Certificates of Insurance are to be issued in the name of Lessee only and issuance in the joint names of the Lessee and Lessor is prohibited. If Lessor’s interest is to be protected, it should be done by the use of *Endorsement IMT - 6.*

For the purpose of the Personal Accident cover for the Owner-Driver granted under the policy, the insured named in the policy will continue to be deemed as the Owner-driver subject to conditions of the policy relating to this cover.

GR.21. Vehicles Subject to Hypothecation Agreement

Policies and Certificates of Insurance are to be issued in the name of Registered Owner only and issuance in the joint names of the Registered Owner and Pledgee is prohibited. If Pledgee’s interest is to be protected, it should be done by the use of *Endorsement IMT - 7.*

For the purpose of the Personal Accident cover for the Owner-Driver granted under the policy, the registered owner named in the policy will continue to be deemed as the Owner-driver subject to conditions of the policy relating to this cover.
GR.22. Cover Note

(i) Cover Notes insuring Motor Vehicles are to be issued only in Form 52 in terms of Rule 142 Sub-Rule (1) of the Central Motor Vehicles Rules 1989. (Refer Section 6 of the India Motor Tariff).

(ii) In terms of Rule 142, Sub-Rule (2) of Central Motor Vehicles Rules 1989, a Cover Note shall be valid for a period of sixty days from the date of its issue and the insurer shall issue a policy of insurance before the date of expiry of the Cover Note.

GR.23. Certificate of Insurance

A Certificate of Insurance for a Motor Vehicle is to be issued only in FORM 51 in terms of Rule 141 of Central Motor Vehicle Rules 1989. (Refer Section 6 of the India Motor Tariff).

GR.24. Cancellation of Insurance and Double Insurance

A Cancellation of Insurance

(a) A policy may be cancelled by the insurer by sending to the insured seven days notice of cancellation by recorded delivery to the insured’s last known address and the insurer will refund to the insured the pro-rata premium for the balance period of the policy.

(b) A policy may be cancelled at the option of the insured with seven days notice of cancellation and the insurer will be entitled to retain premium on short period scale of rates for the period for which the cover has been in existence prior to the cancellation of the policy. The balance premium, if any, will be refundable to the insured. Refund of premium will be subject to:

   i) there being no claim under the policy, and
   ii) the retention of minimum premium as specified in the Tariff.

(c) A policy can be cancelled only after ensuring that the vehicle is insured elsewhere, at least for Liability Only cover and after surrender of the original Certificate of Insurance for cancellation.

(d) Insurer should inform the Regional Transport Authority (RTA) concerned by recorded delivery about such cancellation of insurance.
B. Double Insurance

When two policies are in existence on the same vehicle with identical cover, one of the policies may be cancelled. Where one of the policies commences at a date later than the other policy, the policy commencing later is to be cancelled by the insurer concerned.

If a vehicle is insured at any time with two different offices of the same insurer, 100% refund of premium of one policy may be allowed by canceling the later of the two policies. However, if the two policies are issued by two different insurers, the policy commencing later is to be cancelled by the insurer concerned and pro-rata refund of premium thereon is to be allowed.

If however, due to requirements of Banks/Financial Institutions, intimated to the insurer in writing, the earlier dated policy is required to be cancelled, then refund of premium is to be allowed after retaining premium at short period scale for the period the policy was in force prior to cancellation.

In all such eventualities, the minimum premium as specified in the tariff is to be retained.

In either case, no refund of premium can be allowed for such cancellation if any claim has arisen on either of the policies during the period when both the policies were in operation, but prior to cancellation of one of the policies.

GR.25. Cancellation and issuance of fresh Certificate of Insurance

Following any changes in the policy during its currency, affecting the information shown on the Certificate of Insurance, the Certificate of Insurance is required to be returned to the Insurer for cancellation and a fresh Certificate incorporating the changes is to be issued.

Information regarding change of number of Engine and/ or Chassis of the vehicle, is required to be intimated to the insurer immediately for effecting necessary changes in the policy, provided such changes are duly endorsed on the Registration Certificate. The Certificate of Insurance is also required to be returned immediately for issuance of fresh Certificate of Insurance incorporating the changes.

Remittance of Rs. 50/- is required to be made to the insurer for each issuance of fresh Certificate of Insurance.

GR.26. Certificate or Cover Note destroyed, torn, soiled, defaced or mutilated.

1. Where the insured

   a) lodges with an insurer a declaration in which he declares that a Certificate of
Insurance or Cover Note issued to him by such insurer has been lost, destroyed, torn, soiled, defaced or mutilated and sets out full particulars of the circumstances connected with the loss or destruction of the certificate or cover note and the efforts made to find it;

OR

b) returns to the authorized insurer the Certificate or Cover Note issued to him by such insurer in a torn, soiled, defaced or mutilated condition;

AND

c) pays to the insurer a fee of Rs.50/- (Fifty) in respect of each such new certificate or Cover Note, the insurer shall, if satisfied that such certificate or cover note has been lost, destroyed and that all reasonable efforts have been made to find it, or that it has been destroyed or is soiled, defaced or mutilated as the case may be, issue in lieu thereof a duplicate certificate or insurance or cover note with the word ‘Duplicate’ prominently endorsed to that effect.

2. When a duplicate certificate of insurance or cover note has been issued in accordance with the provisions of sub rule (1) on representation that a certificate or cover note has been lost and the original certificate or cover note is afterwards found by the holder, the original certificate or cover note, as the case may be, shall be surrendered to the insurer.

GR.27. No Claim Bonus

(a) No Claim Bonus (NCB) can be earned only in the Own Damage section of Policies covering all classes of vehicles but not on Motor Trade Policies (Road Transit Risks / Road Risks / Internal Risks) and policies which cover only Fire and / or Theft Risks. For policies covering Liability with Fire and/or Theft Risks, the NCB will be applicable only on the Fire and / or Theft components of the premium. An insured becomes entitled to NCB only at the renewal of a policy after the expiry of the full duration of 12 months.

(b) No Claim Bonus, wherever applicable, will be as per the following table.

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>

</tbody>
</table>
Sunset Clause: If at the renewal falling due any time between 1st July 2002 and 30th June 2003, both days inclusive, (after completion of the full policy period of 12 months) an insured becomes entitled to an NCB of 55% or 65% in terms of the Tariff prevailing prior to 1st July 2002, the entitlement of such higher percentage of NCB will remain protected for all subsequent renewals till a claim arises under the policy, in which case the NCB will revert to ‘Nil’ at the next renewal. Thereafter, NCB if any earned, will be in terms of the above table.

(c) The percentage of applicable NCB is to be computed on the Own Damage premium required for renewal of the insurance after deducting any rebate in respect of "Vehicle Laid Up" under the policy. If the policy period has been extended in lieu of the rebate for the lay up of the vehicle, as per ‘Vehicle Laid Up’ Regulation, such extended period shall be deemed to have been part of the preceding year of insurance.

(d) The entitlement of NCB shall follow the fortune of the original insured and not the vehicle or the policy. In the event of transfer of interest in the policy from one insured to another, the entitlement of NCB for the new insured will be as per the transferee’s eligibility following the transfer of interest.

**It is however, clarified that the entitlement of No Claim Bonus will be applicable for the substituted vehicle subject to the provision that the substituted vehicle on which the entitled NCB is to be applied is of the same class (as per this tariff) as the vehicle on which the NCB has been earned.**

Provided that where the insured is an individual, and on his/ her death the custody and use of the vehicle pass to his/her spouse and/or children and/or parents, the NCB entitlement of the original insured will pass on to such person/s to whom the custody and use of the vehicle pass.

(e) The percentage of NCB earned on a vehicle owned by an institution during the period when it was allotted to and exclusively operated by an employee should be passed on to the employee if the ownership of the vehicle is transferred in the name of the employee. This will however require submission of a suitable letter from the employer confirming that prior to transfer of ownership of the vehicle to the employee, it was allotted to and exclusively operated by the employee during the period in which the NCB was earned.

(f) In the event of the insured, transferring his insurance from one insurer to another insurer, the transferee insurer may allow the same rate of NCB which the insured would have received from the previous insurer. Evidence of the insured's NCB entitlement either in the form of a renewal notice or a letter confirming the NCB entitlement from the previous insurer will be required for this purpose.
Where the insured is unable to produce such evidence of NCB entitlement from the previous insurer, the claimed NCB may be permitted after obtaining from the insured a declaration as per the following wording:

“I / We declare that the rate of NCB claimed by me/us is correct and that no claim as arisen in the expiring policy period (copy of the policy enclosed). I/We further undertake that if this declaration is found to be incorrect, all benefits under the policy in respect of Section I of the Policy will stand forfeited.”

Notwithstanding the above declaration, the insurer allowing the NCB will be obliged to write to the policy issuing office of the previous insurer by recorded delivery calling for confirmation of the entitlement and rate of NCB for the particular insured and the previous insurer shall be obliged to provide the information sought within 30 days of receipt of the letter of enquiry failing which the matter will be treated as a breach of Tariff on the part of the previous insurer. (as the case may be), trailers are towed at a time.

2. Rates prescribed for Trailers under **Tariff for Miscellaneous and Special Types of Vehicles- Class "D"** are in respect of Trailers attached to special types of vehicles. Such trailers are not to be rated under this Tariff.
3. For the purpose of considering **No Claim Bonus (NCB)**, in respect of accidents involving the towing vehicle and/or trailer(s) irrespective of whether one or more is/are damaged or give(s) rise to liability, the following clause is to appear in all policies covering either the towing vehicle(s) with trailer(s) or trailers separately:

"It is hereby declared and agreed that for the purpose of No Claim Bonus (NCB) the towing vehicles and the trailer(s) whilst attached thereto shall be treated as a single unit and any claim made or arising in respect of one section of the unit will affect the Bonus entitlement of both sections of the unit."

4. No concession for "Vehicles Laid Up" is permissible in respect of Trailers.

5. The following warranties are to appear on all policies covering either the towing vehicle along with Trailer(s) or Trailers(s) separately.

   (a) “It is hereby understood and agreed that for the purpose of application of Endorsement IMT-21 attached to and forming part of the above policy, the towing vehicle and trailer(s) while attached thereto shall be treated as a single unit.”

   (b) "Warranted that not more than ..... trailer(s) shall be towed at any one time by the towing vehicle/s. It is further warranted that the insurer shall not be liable to indemnify the insured in connection with any vehicle or trailer if a greater number of trailers in all than is permitted by law are towed."
