GUIDELINES

- Submission **of an abstract constitutes a commitment by any one of the author to be present, if selected.** This rule applies to paper, poster, course, and film presenters.
- All **presenters are required to register** for the conference and pay all applicable fees.
- No **substitute presenters will be allowed other than authors of the papers:** Any one of the authors can present the paper.
- A **financial disclosure must be completed** by all presenters, co-presenters, authors, and co-authors submitting an abstract.

How to submit Abstract for Scientific Free Papers

Structured abstracts should include:

- **Title:** Is the title descriptive of the abstract?
- **Purpose:** What is the question that the study answers, or the hypothesis that it tests?
- **Methods:** What is the study design? Indicate randomization, masking, and whether data collection was retrospective or prospective. Identify the patients, including selection and exclusion criteria, and numbers. Indicate intervention, procedures and measurement.
- **Results:** What are the outcomes and measurements? Include their statistical significance, if appropriate.
- **Conclusion:** What are the conclusions? Describe the clinical pertinence and value.

Note: the maximum word limit for the abstract is 300 words

Submit the abstracts by email to sridevi@vision2020india.org/ by 30th March, 2017 with a subject line "Submission of Free Papers – 13th annual conference"
