in the posts identified for each disabilities.

3. **EXEMPTION FROM RESERVATION:**

If any Department/Ministry in the Central Government considers it necessary to exempt any establishment partly or fully from the provisions of reservation for persons with benchmark disabilities, it shall make a reference to the Department of Empowerment of Persons with Disabilities giving full justification for the proposal, who having regard to the type of work carried out in any Government establishment by notification and subject to such condition, if any, as may be specified in the notification, in consultation with the Chief Commissioner of Persons with Disabilities (CCPD) may exempt any Establishment from the provisions of reservation for persons with benchmark disabilities.

4. **IDENTIFICATION OF JOBS / POSTS:**

The Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment have identified the jobs/posts suitable to be held by persons with benchmark disabilities and the physical requirement for all such jobs/posts vide their Notification No.16-15/2010-DD-III dated 29th July, 2013. The jobs /posts given in Annexure C of the said
notification to be amended from time to time shall be used to give effect to four per cent reservation to the persons with benchmark disabilities. It may, however, be noted that:

(a) The nomenclature used for any job/post shall mean and include nomenclature used for other comparable jobs/posts having identical functions.

(b) The list of jobs/posts notified by the Department of Empowerment of Persons with Disabilities is not exhaustive. The concerned Ministries/Departments shall have the discretion to identify jobs/posts in addition to the jobs/posts already identified by Department of Empowerment of Persons with Disabilities. However, no Ministry/Department/Establishment shall exclude any identified job/post from the purview of reservation at its own discretion.

(c) If a job/post identified for persons with benchmark disabilities is shifted from one group or grade to another group or grade due to change in the pay-scale or otherwise, the job/post shall remain identified.

5. RESERVATION IN POSTS IDENTIFIED FOR ONE OR TWO OR MORE CATEGORIES:

If a post is identified suitable only for one category of benchmark disability, reservation in that post shall be given to that category of persons with that benchmark disability only. Reservation of 4% shall not be reduced in such cases and total reservation in the post will be given to persons suffering from that benchmark disability for which it has been identified. Likewise in case the post is identified suitable for two or more categories of benchmark disabilities, reservation shall be distributed between persons with those categories of benchmark disabilities equally, as far as possible. It shall, however, be ensured that reservation in different posts in the establishment is distributed in such a way that the persons of all categories of benchmark disabilities, as far as possible, get representation to the posts identified for them.

6. APPOINTMENT AGAINST UNRESERVED VACANCIES: In the posts which are identified suitable for persons with disabilities, a person with disability cannot be denied the right to compete for appointment against an unreserved vacancy. Thus a person with disability can be appointed against
an unreserved vacancy, provided the post is identified suitable for persons with disability of the relevant category.

7. **ADJUSTMENT OF CANDIDATES SELECTED ON THEIR OWN MERIT:**

In the posts which are identified suitable for persons with benchmark disabilities, a person with benchmark disability cannot be denied the right to compete for appointment against an unreserved vacancy. Thus a person with benchmark disability can be appointed against an unreserved vacancy, provided the post is identified suitable for persons with benchmark disability of the relevant category.

Persons with benchmark disabilities selected on their own merit without relaxed standards along with other candidates, will not be adjusted against the reserved share of vacancies. The reserved vacancies will be filled up separately from amongst the eligible candidates with benchmark disabilities which will thus comprise persons with benchmark disability candidates who are lower in merit than the last candidate in merit list but otherwise found suitable for appointment, if necessary, by relaxed standards. It will apply in case of direct recruitment as well as promotion, wherever reservation for persons with benchmark disabilities is admissible.

12. At the time of initial appointment and promotion against a vacancy reserved for persons with benchmark disabilities, the appointing authority shall ensure that the candidate is eligible to get the benefit of reservation.

13. **COMPUTATION OF RESERVATION:**

Reservation for persons with benchmark disabilities in case of Group C and Group D posts shall be computed on the basis of total number of vacancies occurring in all Group C or Group D posts, as the case may be, in the establishment, although the recruitment of the persons with disabilities would only be in the posts identified suitable for them. The number of vacancies to be reserved for the persons with disabilities in case of direct recruitment to Group 'C' posts in an establishment shall be computed by taking into account the total number of vacancies arising in Group 'C' posts for being filled by direct recruitment in a recruitment year both in the identified and non-identified posts under the establishment. The same procedure shall apply for Group 'D' posts. Similarly, all vacancies in promotion quota shall be taken into account while computing reservation in promotion in Group 'C' and Group 'D' posts. Since reservation is limited to identified posts only and number of vacancies reserved is computed on the basis of total vacancies (in identified posts as well as unidentified posts), it is possible that number of persons appointed by reservation in an identified post may exceed four per cent.
14. Reservation for persons with benchmark disabilities in Group 'A' or Group 'B' posts shall be computed on the basis of total number of vacancies occurring in direct recruitment quota in the cadre in all the Group A posts or Group 'B' posts respectively, and the computation of total vacancies shall include vacancies arising in the identified and non-identified posts.

15. **EFFECTING RESERVATION - MAINTENANCE OF ROSTERS:**

(a) Every Government establishment shall maintain separate 100 point vacancy based reservation roster registers in the format given in Annexure A for determining/effecting reservation for the Persons with Benchmark Disabilities - one each for Group 'A' posts filled by direct recruitment, Group 'B' posts filled by direct recruitment, Group 'C' posts filled by direct recruitment, Group 'C' posts filled by promotion, Group 'D' posts filled by direct recruitment and Group 'D' posts filled by promotion.

(b) Each register shall have cycles of 100 points and each cycle of 100 points shall be divided into four blocks, comprising the following points:

1st Block - point No.1 to point No.25  
2nd Block - point No. 26 to point No.50  
3rd Block - point No.51 to point No. 75  
4th Block - point No.76 to point No.100

(c) Points 1, 26, 51 and 76 of the roster shall be earmarked reserved for persons with benchmark disabilities - one point for each of the four categories of disabilities. The Head of the establishment shall ensure that vacancies identified at SI. No.1, 26, 51 and 76 are earmarked for the respective categories of the persons with benchmark disabilities. However, the Head of the establishment shall decide the placement of the selected candidate in the roster register.

(d) All the vacancies in Group C posts falling in direct recruitment quota arising in the establishment shall be entered in the relevant roster register. If the vacancy falling at point no. 1 is not identified for the Person with Benchmark Disability or the Head of the establishment considers it desirable not to fill it up by Persons with Benchmark Disabilities a disabled person or it is not possible to fill up that post by the Persons with Benchmark Disabilities for any other reason, one of the vacancies falling at any of the points from 2 to 25 shall be treated as reserved for the disabled and filled as such.
Likewise, a vacancy falling at any of the points from 26 to 50 or from 51 to 75 or from 76 to 100 shall have to be filled by the Persons with Benchmark Disabilities. The purpose of keeping points 1, 26, 51 and 76 as reserved is to fill up the first available suitable vacancy from 1 to 25, first available suitable vacancy from 26 to 50, first available suitable vacancy from 51 to 75 and first available suitable vacancy from 76 to 100 by persons with benchmark disabilities.

(e) There is a possibility that none of the vacancies from 1 to 25 is suitable for any category of the Person with Disability. In that case two vacancies from 26 to 50 shall be filled as reserved for persons with disabilities. If the vacancies from 26 to 50 are also not suitable for any category, three vacancies shall be filled as reserved from the third block containing points from 51 to 75. This means that if no vacancy can be reserved in a particular block, it shall be carried over into the next block.

(f) After all the 100 points of the roster are covered, a fresh cycle of 100 points shall start.

(g) If the number of vacancies in a year is such as to cover only one block (say 25 vacancies) or two (say 50 vacancies), the category of the disabled should be accommodated as per the roster points. However, in case the said vacancy is not identified for the respective category, the Head of the establishment shall decide the category on the basis of the nature of the post, the level of representation of the specific disabled category in the concerned grade/post etc.

(h) A separate roster shall be maintained for group C posts - one for the posts filled by direct recruitment and another for posts filled by promotion. Likewise, two separate rosters shall be maintained for Group D posts.

(i) Reservation for persons with disabilities in Group 'A' or Group 'B' posts shall be computed on the basis of total number of vacancies occurring in direct recruitment quota in all the Group 'A' posts or Group 'B' posts respectively, and the computation of total vacancies shall include vacancies arising in the identified and non-identified posts in the cadre. Separate rosters for Group 'A' posts and Group 'B' posts in the establishment shall be maintained.
16. **INTER SE EXCHANGE AND CARRY FORWARD OF RESERVATION IN CASE OF DIRECT RECRUITMENT:**

(a) Reservation for each of the categories of persons with benchmark disabilities identified for reservation shall be made separately. If the nature of vacancies in an establishment is such that a given category of person cannot be employed, the vacancies may be interchanged among the categories identified for reservation. However, the Head of the establishment shall ensure that the reasons for interchange may be recorded in writing before effecting the same.

(b) Where in any recruitment year any vacancy cannot be filled up due to non-availability of a suitable person with benchmark disability or for any other sufficient reasons, such vacancy shall be carried forward in the succeeding recruitment year and if in the succeeding recruitment year also suitable person with benchmark disability is not available, it may first be filled by interchange among the identified categories for reservation purpose and only when there is no person with disability available for the post in that year, the employer shall fill up the vacancy by appointment of a person, other than a person with disability. The Government establishment shall interchange vacancies only if due process of recruitment to fill up the vacancies meant for persons with benchmark disabilities has been complied with.

(c) If any vacancy reserved for any category of benchmark disability cannot be filled due to non-availability of a suitable person with that benchmark disability or, for any other sufficient reason, such vacancy shall be carried forward as a 'backlog reserved vacancy' to the subsequent recruitment year.

In the subsequent recruitment year the 'backlog reserved vacancy' shall be treated as reserved for the category of disability for which it was kept reserved in the initial year of recruitment. However, if a suitable person with that benchmark disability is not available, it may be filled by interchange among the categories of benchmark disabilities identified for reservation. In case no suitable person with benchmark disability is available for filling up the vacancy in the succeeding year also, the employer may fill up the vacancy by a person other than a person with benchmark disability. If the vacancy is filled by a person with benchmark disability of the category for which it was reserved or by a person of other category of benchmark
disability by inter se exchange in the subsequent recruitment year, it will be treated to have been filled by reservation. But if the vacancy is filled by a person other than a person with benchmark disability in the subsequent recruitment year, reservation shall be carried forward for a further period upto two recruitment years whereafter the reservation shall lapse. In these two subsequent years, if situation so arises, the procedure for filling up the reserved vacancy shall be the same as followed in the first subsequent recruitment year.

17. In order to ensure that cases of lapse of reservation are kept to the minimum, any recruitment of the disabled candidates shall first be counted against the additional quota brought forward from previous years, if any, in their chronological order. If candidates are not available for all the vacancies, the older carried forward reservation would be filled first and the current vacancies would be carried forward if not filled up.

18. **CONSIDERATION ZONE, INTERSE EXCHANGE AND CARRY FORWARD OF RESERVATION IN CASE OF PROMOTION**

(a) While filling up the reserved vacancies in Group C or Group D by promotion by selection, if any, the candidates with benchmark disabilities, who are within the normal zone of consideration, shall be considered for promotion. Where adequate numbers of the candidates with benchmark disabilities of the appropriate category of disability are not available within the normal zone, the zone of consideration may be extended to five times the number of vacancies and the candidates with Benchmark disabilities falling within the extended zone may be considered. In the event of non-availability of candidates even in the extended zone, the reservation can be exchanged so that vacancy can be filled by a person with other category of benchmark disability, if possible. If it is not possible to fill up the post by reservation, the vacancy in the post may be filled by a person other than a Person with Benchmark disability and the reservation shall be carried forward for upto three subsequent recruitment years, whereafter it shall lapse.
(b) In posts filled by promotion by non-selection in Group C or Group D, the eligible candidates with benchmark disabilities shall be considered for promotion against the reserved vacancies and in case no eligible candidate of the appropriate category of disability is available, the vacancy can be exchanged with other categories of benchmark disabilities identified for it. If it is not possible to fill up the post by reservation even by exchange, the reservation shall be carried forward for upto three subsequent recruitment years, whereafter it shall lapse.

19. **HORIZONTALITY OF RESERVATION FOR PERSONS WITH BENCHMARK DISABILITIES:**

Reservation for backward classes of citizens (SCs, STs and OBCs) is called vertical reservation and the reservation for categories such as persons with benchmark disabilities and ex-servicemen is called horizontal reservation. Horizontal reservation cuts across vertical reservation (in what is called interlocking reservation) and persons selected against the quota for persons with benchmark disabilities have to be placed in the appropriate category viz. SC/ST/OBC/General candidates depending upon the category to which they belong in the roster meant for reservation of SCs/STs/OBCs. To illustrate, if in a given year there are two vacancies reserved for the persons with benchmark disabilities and out of two persons with benchmark disabilities appointed, one belongs to a Scheduled Caste and the other to general category, then the benchmark disabilities SC candidate shall be adjusted against the SC point in the reservation roster and the general candidate with benchmark disability against unreserved point in the relevant reservation roster. In case none of the vacancies falls on point reserved for the SCs, the benchmark disability candidate belonging to SC shall be adjusted in future against the next available vacancy reserved for SCs.

20. Since the persons with benchmark disabilities have to be placed in the appropriate category viz. SC/ST/OBC/General in the roster meant for reservation of SCs/STs/OBCs, the application form for the post should require the candidates applying under the quota reserved for persons with benchmark disabilities to indicate whether they belong to SC/ST/OBC or General category.
21. **RELAXATION IN AGE LIMIT:**

(i) Upper age limit for persons with benchmark disabilities shall be relaxable (a) by ten years (15 years for SCs/STs and 13 years for OBCs) in case of direct recruitment to Group 'C' and Group 'D' posts; (b) by 5 years (10 years for SCs/STs and 8 years for OBCs) in case of direct recruitment to Group 'A' and Group 'B' posts where recruitment is made otherwise than through open competitive examination; and (c) by 10 years (15 years for SCs/STs and 13 years for OBCs) in case of direct recruitment to Group A and Group B posts through open competitive examination.

(ii) Relaxation in age limit shall be applicable irrespective of the fact whether the post is reserved or not, provided the post is identified suitable for persons with benchmark disabilities.

22. **RELAXATION OF STANDARD OF SUITABILITY:**

If sufficient number of person with benchmark disabilities candidates is not available on the basis of the general standard to fill all the vacancies reserved for them, candidates belonging to this category may be selected on relaxed standard to fill up the remaining vacancies reserved for them provided they are not found unfit for such post or posts. Thus, to the extent the number of vacancies reserved for persons with benchmark disabilities cannot be filled on the basis of general standards, candidates belonging to this category may be taken by relaxing the standards to make up the deficiency in the reserved quota subject to the fitness of these candidates for appointment to the post/posts in question.

23. **MEDICAL EXAMINATION:**

As per Rule 10 of the Fundamental Rules, every new entrant to Government Service on initial appointment is required to produce a medical certificate of fitness issued by a competent authority. In case of medical examination of a person with benchmark disabilities for appointment to a post identified as suitable to be held by a person suffering from a particular kind of disability, the concerned Medical Officer or Board shall be informed beforehand that
the post is identified suitable to be held by persons with benchmark disabilities of the relevant category and the candidate shall then be examined medically keeping this fact in view.

24. **EXEMPTION FROM PAYMENT OF EXAMINATION FEE AND APPLICATION FEE:**

Persons with benchmark disabilities shall be exempted from payment of application fee and examination fee, prescribed in respect of competitive examinations held by the Staff Selection Commission, the Union Public Service Commission etc. for recruitment to various posts. This exemption shall be available only to such persons who would otherwise be eligible for appointment to the post on the basis of standards of medical fitness prescribed for that post (including any concession specifically extended to the persons with benchmark disabilities) and who enclose disability certificate from a competent authority with the application form in support of their claim of disability.

25. **NOTICE OF VACANCIES:**

(i) Number of vacancies reserved for SC/ST/OBC/Ex-servicemen/Persons with Benchmark Disabilities should be indicated clearly. As regards Persons with Benchmark Disabilities, the vacancies shall be further reported separately for the following four categories of benchmark disabilities.

Persons with benchmark disabilities means a person with not less than forty percent of a specified disability where specified disability has not been defined in measurable terms and includes a person with disability where specified disability has been defined in measurable terms, as certified by the certifying authority.
