About SWASTIK TRUST:

Swastik Trust was functioning as Occupational Therapy Clinic in the name of “ACME” at Palavakkam, Chennai in 2004. Later it was started as a center in the name of “SWASTIK HEALTH CENTER” by providing Occupational Therapy, Speech Therapy, Physio Therapy, Special Education and Play Therapy services in a phased manner at Tiruvanmiyur, Chennai in 2006. Afterward “Aathichudy Special School” was established by registering “SWASTIK TRUST” under Trust Act, RPwD Act 2016 and National Trust Act 1999 in Kancheepuram. At this moment its branches are functioning in Chennai, Vellore and Puducherry districts recognized by State Commissioner for Differently Abled

It is a welcoming friendly school where children can enjoy a nice and homely experience and achieve a better result. Aathichudy Special School is not only focusing rehabilitation services to the children with disabilities but also conducting various rehabilitation programmes in association with government and private sectors in the field of rehabilitation.

“Yellow Cross Volunteer Group is functioning to assist persons with Disabilities under the Swastik Trust.

Swastik trust is also assisting to obtain Legal Guardianship Certificate to Persons with Mental Retardation, Cerebral Palsy, ASD and Multiple Disabilities from the National Trust Govt. of India.

Swastik trust is providing free sessions to the children with Autism Spectrum Disorder (ASD) under the Chief Minister Health Insurance Scheme”

About A C S:

Being a developing nation, health and hygiene are mainstays in terms of national priority. With so many people living below the poverty line, statistics reveal that unhealthy living conditions will lead to disease and epidemics, unless a proactive approach by the medical community is put into action. Keeping these in mind, Dr. M.G.R. University’s Faculty of Medical Sciences was established. Besides imparting necessary medical and technological skills, the university also encourages students to be more active as a student-medical community to improve health conditions in the nation.

The Faculty of Medical Sciences is an important department in the university and has a huge intake of students each year. The department comes fully equipped with a state-of-the-art laboratory and the department utilizes most modern equipments and technology. The quality of education and infrastructural advantage the university offers is one of the best in the country. The Faculty of Medical Sciences occupies a large area of campus space.
